They are Campus Conversations: ArgosExpress, Rest and Reconnect: Post-election Recharge, and Unify Challenge College Bowl. Our director of CAPS has seen an increase in the utilization of their services. A lot of our undergrad students are coming in already on medication so she is hoping to get a committee together to account for some of those counseling issues. University Commons is working on a patio project renovation. The updated patio space will allow for additional programming space for the university community. Something else interesting is this year we are celebrating the 10th anniversary of the Argo Pantry. During October, we are hosting a 10 for 10 fundraising initiative. We are trying to raise \$10k for the students. Thank you!”
