TRANSFER TO BE A KNIGHT

Transferring to UCF starts with preparation. The “Transfer to Be a Knight” information session is designed to make your transition to UCF as smooth as possible. Led by a UCF admissions counselor, you’ll learn about all things related to transfer students: applying, admission requirements, credit review, financial aid and more.

TRANSFER CREDIT EQUIVALENCY

UCF provides a convenient tool to access a database of established course equivalencies from other institutions. While actual awarding of transfer credit occurs after official transcripts are received from the sending institution, the portal can provide guidance as you plan your transition to UCF. registrar.ucf.edu/transfer-student-resources/

TRANSFER STUDENT SCHOLARSHIPS

The Office of Undergraduate Admissions offers several types of scholarships for transfer students. Each of the awards is a total value of \$2,000 distributed over 4 undergraduate semesters. Students earning an AA degree from a Florida public community/state college with a 3.5 or greater cumulative GPA starting in the fall semester can submit a scholarship application.
