# CYBER GAMES

What do Capture the Flag, Red v. Blue, Codebreaking Challenges, and Bug Bounty all have in common?

They are all really good ways to learn and build your cyber skill.

In this experience, you will learn how games can teach you a thing or two.

**9 AM - Noon - Grades 6-8**

**1-4 PM - Grades 9-12**

All events held at the Center for Cybersecurity, 220 W. Garden St., downtown, Pensacola
