Cybersecurity Faculty Development Program

The Cybersecurity Faculty Development Program seeks to identify veterans with appropriate experience and expertise and provide them with relevant pedagogical, technical knowledge, and skills to teach in a designated and candidate CAE-C institutions.

Program Details:
- 5 Veterans will be selected to participate in the 2022 cohort.
- The format of the program is online.
- Selected participants will be taught in the following areas:
  - CompTIA Security+ certification
  - Network Defense
  - Threat Intelligence
  - Risk Management/Incident Response
  - Pedagogical Best Practices
- The program will run from March 2022 - August 2022

Program Benefits:
- A 5-month training program at no cost to the selected participants.
- Courses equip participants with the required knowledge, skills, and abilities to teach lower-level courses in Cybersecurity and Information Technology.
- Possible opportunities to join UWF’s adjunct pool.
- Provided with guidance in enrolling in UWF’s M.S. in Cybersecurity or M.S. in Information Technology
- Opportunity to earn CompTIA Security+ certification

Program Eligibility Requirements:
- U.S. citizen or Permanent Resident
- Eligible participants:
  - Transitioning military personnel
  - Veterans
- Academic requirements:
  - Required: High School diploma or equivalent
  - Preferred: Bachelor’s degree, but not required
  - Some IT or cybersecurity experience required (2+ years preferred)
  - Strong interest in cybersecurity and teaching
  - Able to commit and participate in the program from March – August, 2022

Apply By: January 31, 2022.
