CEUs: 0.7, **CPEs:** 9

Course Instructor(s):

Instructor	Email
Guy Garrett, M.S., M.B.A.	ggarrett@uwf.edu

Course Description

This exercise focuses on risks, incident response, and management of ransomware and insider threat related compromises of IT and cyber systems. This exercise works best with a combination of individuals with technical and non-technical roles. Managers and executives can use this exercise as a means for evaluating frameworks for policies, procedures, and practices.
