Introduction

Welcome

Welcome to the University of West Florida, Department of Teacher Education and Educational Leadership (TEEL). We are delighted that you are joining us and look forward to working with you as you work toward completion of the program and prepare for teacher certification or become a professional in education.

We hope that this guide will help you navigate the program and understand some key policies and requirements for the college and university. [Note: this guide is not meant to be the final or sole word on requirements or policies of your program, the college, or the university.] Please read carefully and familiarize yourself with the information in this guide. While TEEL faculty and staff will strive to answer questions and advise you on issues as they arise, you are ultimately responsible for ensuring that you meet program requirements and adhere to relevant college and university policies.

Please feel free to call, email, or stop by the undergraduate College of Education and Professional Studies Advising Center (CEPS), Building 86, Room 112, if you have questions, problems, or concerns.

Congratulations

The faculty in TEEL congratulate and commend you on making the decision to dedicate your life to making a difference in the lives of children. We are happy to be a formative part of your journey as you connect theory learned in courses to practices encountered during field placements. The clinical/field experiences of your degree program are intentionally designed to provide experiences intended to maximize your self-confidence, strengthen your skills in teaching, and develop your professional identity. With the cooperation and support of partnering school districts and their schools and teachers, TEEL strives to provide our teacher candidates with K-12 classroom experiences to develop the skills and pedagogy necessary to become successful teachers. TEEL is particularly indebted to the school districts for their help in preparing the teachers of tomorrow. We are dedicated to providing the necessary support for you to achieve your dream of being a teacher in your own classroom, which will soon become a reality.

Accomplished Practices and the TEEL Conceptual Framework

Accomplished Practices are defined as the Pre-Professional Competencies you will be expected to perform as a pre-service, in-training teacher, established by the Florida Department of Education. The Florida Educator Accomplished Practices (FEAPs) are provided in Appendix A. You can find more information on the Accomplished Practices at http://www.fldoe.org/profdev/FEAPs/
The Conceptual Framework establishes goals of TEEL’s programs. Outcomes of the programs are intended to produce education professionals who are:

- **Knowledgeable**— Apply research-based content and pedagogy
- **Innovative**— Think and act creatively to enhance education through the use of technology and 21st century skills
- **Ethical**— Adhere to a code of standards, and demonstrate professionalism
- **Engaged**— Communicate, collaborate, and commit to serve locally and globally
- **Reflective**— Use critical thinking in decision making and problem solving
- **Inclusive**— Embrace diversity, and promote equality and equity in society

**Education Degree Programs**

TEEL offers three degree programs: one non-teacher certification degree major (ISS/Community Education) and two initial teacher certification degree majors (1. Exceptional Student Education/Elementary Education and 2. Elementary Education).

- Community Education [https://onlinedegrees.uwf.edu/online-degrees/iss-social-science-community-education/]

- Exceptional Student Education (K-12)/Elementary Education (K-6) certification – [http://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/undergraduate-majors/exceptional-student-education-ba/]
  
  This program may be completed fully online or by combining face-to-face and online courses with the exception of field experiences and student teaching. Students must also successfully complete the following Florida Teacher Certification Exams: 1) General Knowledge, 2) Professional Education, 3) Elementary Education, and 4) Exceptional Student Education

- Elementary Education (K-6) Certification - [http://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/undergraduate-majors/elementary-education-ba/]
  
  This program is offered in a face-to-face format with some courses being offered online. Students must also successfully complete the following Florida Teacher Certification Exams: 1) General Knowledge, 2) Professional Education, and 3) Elementary Education.

In addition, the Hal Marcus College of Science and Engineering offers five degree programs: [https://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/undergraduate-majors/uwf-teach/]

- Mathematics with Teaching
- Biology with Teaching
- Chemistry with Teaching
- Physics with Teaching
- Environmental Science and Teaching
• Degree plans for the three education majors and UWF Teach Degree programs are provided in Appendix C.

NOTE: Certification programs lead to certification in the state of Florida. Students planning to teach/practice outside Florida should consult with the agency for that state or contact the department for further information. Licensure information by state can be found at: https://nc-sara.org/guide/state-authorization-guide

TEEL Admissions Requirements
Once a student is admitted to UWF, there are separate admissions requirements for TEEL and UWF-Teach programs. Students may declare a major in one of the two initial teacher certification degree majors (Elementary Education or ESE/Elementary Education) after completing the following additional requirements:

1. Meet with a CEPS academic advisor.
2. Complete an Application for Admission to TEEL (Submit the application through Tk20) or UWF-Teach.
3. Read the TEEL Field Experience and Student Teaching Guide.
4. Take and pass all areas (English Language Skills, Reading, Math, and Essay) of the FTCE General Knowledge Test (GK). Study materials for the GK can be accessed at https://libguides.uwf.edu/ftce In addition, TEEL offers a free online Canvas course for the GK. Please contact your assigned academic advisor for more information.
5. Have a cumulative GPA of at least 2.50 in all previously attempted college coursework.
6. Complete online Teacher Education Orientation (see advisor).
7. Successfully complete the education course prerequisite: EDF1005 (or EDG2041 - Exploring Inquiry Teaching – for UWF-Teach programs) with a C- or higher.
8. Successfully complete an A.A. degree and/or all lower level coursework

Per state statute, students will not be allowed to move forward in a certification track and take program courses if the prerequisite and all four sections of the GK exam are not passed. Additionally, students will not be permitted to take TEEL (or UWF-Teach) program courses without having a GPA of a 2.50 or higher. Once admitted to an initial certification degree major, students must maintain a minimum GPA of 2.50. Students must also maintain a Program GPA of a 2.50 or higher to move forward with Field Experiences and Student Teaching. Careful monitoring will ensure that knowledge, skill, and/or dispositional deficits of pre-service teacher candidates are identified in a timely manner so that students can be mentored toward success.

For additional information on the required exams, please see the section in this guide titled Florida Teacher Certification Exams.

Students entering UWF as freshmen, sophomores, or juniors may declare a major in the non-teacher certification Community Education B.A. after completing the following requirements:
1. Meet with a CEPS academic advisor.
2. Have a cumulative GPA of at least 2.00 in all previously attempted college coursework.
3. Complete Teacher Education Orientation
4. Successfully complete an A.A. degree and/or all lower level coursework. (Students admitted to the non-certification degree major must maintain a minimum GPA of 2.00.

**TEEL Student Teacher Candidacy Admissions Requirements**

After being admitted to TEEL (or UWF-Teach), students must fulfill additional requirements to be admitted to student teacher candidacy. To be admitted to TEEL student teaching, the student must:

1. Be accepted into one of the **two initial teacher certification degrees** (Elementary Education or ESE/Elementary Education) or UWF-Teach certification degrees,
2. Submit passing scores on both the FTCE Professional and Subject Area examination(s),
3. Remain in good standing in terms of GPA and dispositions assessments,
4. Be approved for candidacy by the Chair of Teacher Education and Educational Leadership (TEEL)
5. Maintain a program GPA of at least a 2.5.
6. Complete all other degree requirements with a minimum of C- in each course.

Passing both the FTCE Professional and Subject Area exams are requirements for degree completion; **students are required to take and pass all exams prior to student teaching. The deadline to submit passing test scores for fall placement is May 1; the deadline to submit passing test scores for spring placement is October 1.** Students who are unable to pass these exams have the option of switching to the non-teacher certification Community Education major. Please note, however, **the Community Education degree program will require additional coursework and does not prepare students for a career as a classroom teacher.**
**Advising**

Before registering for coursework, you will need to have your Advising PIN released by an advisor. Please make an appointment with your advisor to have your pin released. This requirement will prevent you from registering for courses without the assistance of your academic advisor. You can make an appointment online through the Navigate app in MyUWF. If you need additional assistance, please contact the CEPS Advising Center.

Due to the changing nature of certification and education programs in Florida, it is strongly recommended that you contact an advisor prior to registration each semester. In the end, this could save you time and money!

CEPS uses a dual advising model. Therefore, you will have an academic advisor and a faculty mentor. See below for more information.

For assistance, contact your academic advisor either in person, by phone, or by email. The CEPS Advising Center is located in Building 86/Room 112. Current students, please make an appointment through MyUWF “Navigate.” Center hours are Monday through Friday, 8:30 am to 5:30 pm. If you have questions regarding any of the education programs offered, you can email the advising office at cepsadvising@uwf.edu or call 850.857.6306.

**Academic Advising**

Ms. Susan Martin at smartin1@uwf.edu (850-474-3088) is located in the CEPS Advising Center and is the Academic Advisor for TEEL undergraduate students with last names A-K.

Mrs. Jennifer Griffin at jgriffin@uwf.edu (850.857.6009) is located in the CEPS Advising Center and is the Academic Advisor for TEEL undergraduate students with last names L-Z.

**Faculty Mentor**

You will be assigned a faculty mentor when you begin a TEEL program. Your assigned mentor will contact you early in the semester to help you succeed in your endeavors and resolve any problems you may encounter. Your mentor is also a good person with whom to discuss your overall personal and professional goals.

For information for a specific TEEL faculty member go to: [http://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/our-faculty/faculty-profiles/](http://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/our-faculty/faculty-profiles/)

**Collaborations for Assisting Students**

To further support students who are in jeopardy of not meeting academic or dispositional standards, TEEL faculty use a coordinated system of communication to collaborate in order to identify problems and resources to help foster student success. This collaboration may involve current and past instructors, and will include, as appropriate, a student’s Academic Advisor and Faculty Mentor.

For students having difficulties in a course, the first step is to discuss the issue with the course instructor. If a successful resolution is not achieved, discuss the issue with the
TEEL department chair. We are all committed to achieving positive outcomes for our students.

When faculty cannot provide the help or answers you believe you need, the Student Grievance process provides students the opportunity to bring complaints to the attention of the University. The Student Grievance process may not be used for all issues (i.e., academic misconduct) or for any issue in which a specific appeal process is available. For more information regarding the Student Grievance Process go to:

Assessment System

Competencies and Skills

In your educational course programming, you will be qualified in specific competencies and skills, which the Florida Department of Education has determined as necessary for competency on the Florida Teacher Certification Exams and effective teaching. You can find more information on these Competencies and Skills at http://www.fl.nesinc.com/FL_prepBlueprints.asp

Assessment System and Academic Learning Compacts

TEEL faculty have developed an academic plan for the evaluation of students to ensure that specific student learning outcomes and compacts are met through coursework, projects, and field experiences. This plan follows students while they are taking their coursework, upon graduation, and in-field two years after graduation.

Tk20

TEEL certification programs are state approved and nationally accredited. This state and national approval/accreditation provides you with the assurances of both state and nationally recognized set of teaching credentials upon graduation. With these credentials your prospects for securing a teaching position are greater than those of students who graduate with programs that do not have these accreditations. Indeed, these assurances are not available from every college or university. In order to retain our national and state accreditations, which make our programs highly regarded throughout the nation not to mention within Florida, we must provide evidence that the educational experiences we provide our students are relevant, research-based, diverse, and data-driven. Thus, we must collect, maintain, and use data mandated by these accrediting bodies. We accumulate this data through our Tk20 software program.

The required Tk20 program for all three TEEL Undergraduate education majors can be purchased either through the UWF Bookstore or online at https://uwf.TK20.com/campustoolshighered/start.do You are required to purchase Tk20 and apply to the TEEL program prior to taking major courses. If you are a transfer student, you must apply as soon as you have access to your University email.

If you encounter a problem with Tk20, submit a ticket at https://uwf.TK20.com/campustoolshighered/start.do

If you have a content issue with Tk20 in a particular class, contact your instructor.

TEEL students participate in a field-intensive program of study that allows them to engage in extensive reflection and writing about their classroom practice, preparing them for the diverse economic, social, cultural, and political context of Florida’s schools.
Courses and Field Experiences

Courses
The following is a required Prerequisite course for education certification majors:
● EDF 1005 Introduction to Education

The following courses are common for all education majors in TEEL:
● EEX 3070 Methods of Inclusion and Collaboration
● LAE 3314 Literacy for the Emergent Learner
● EDF 3234 Applied Foundations of Education
● EDF 4373 Integrated Arts and Contemporary Ed. tools
● EDG 3945 Field Experience I
● EDG 3945 Effective Learning Environments
● TSL 4080 ESOL Principles and Practices
● RED 3310 Literacy Instruction for the Intermediate Learner

See individual degree plans located in Appendix B for coursework to complete after completing the above courses. See your degree plan in DegreeWorks for a personalized degree plan. Please contact your advisor with any questions about your plan.

UWF-Teach Program Courses
* EDG 2041 (or EDF1005): Exploring Inquiry Teaching (3 hrs)
* EDF 3234: Applied Foundations of Education (3 hrs)
* EDG 3323: General Methods in K-12 Reading Instruction (3 hrs)
* ESE 4322: Instruction, Management, and Assessment: Secondary Education (3 hrs)
* TSL 4080: ESOL Principles and Practices (3 hrs)
* MAE/SCE 4320: Teaching Mathematics/Science in Middle and Secondary Education (3 hrs)
* ESE 4940: Secondary Practicum (3 hours)
* EDG 4990: Apprenticeship Teaching (6 hours)

See individual degree plans for content coursework to complete.

Field Experiences
TEEL teacher candidates participate in a field-intensive program of study that allows them to engage in extensive reflection and writing about their classroom practice, preparing them for the diverse economic, social, cultural, and political context of Florida’s schools.

There are two field experience courses for education majors: Field Experience 1 & 2. These courses cannot be taken together; they are sequential. Your Program GPA
must be 2.5 or higher to be eligible for placement in Field Experience 1 and 2. Work with your academic advisor to learn the details of each of them. Teacher Candidates applying for Field Experience 2 must be admitted to Elementary Education or ESE/Elementary Education.

For UWF-Teach majors, there is one field experience class: Secondary Practicum. Work with your academic advisor to learn the details.

Placements for Field Experience 1 & 2 and Secondary Practicum are made by the Assistant Director of Field Placements. Once a placement is made, it will not be changed.

Before placements can be made, students must first submit a field placement application in Tk20 by the following stated deadlines. A new application must be submitted each semester. Absolutely no applications are carried forward to the next semester regardless of the reason. To submit an application, log into Tk20, click on “Applications” (top-left margin). When the link opens up, click on “Create New Application,” and then go to the drop down menu for the appropriate form. After you complete the form, click “Submit” and you are finished.

Application deadlines for Field Experience 1 & 2 are as follows:

- **Fall** – Application window is March 1st – May 1st
  - Deadline is May 1st
- **Spring** – Application window is August 1st to October 1st
  - Deadline is October 1st

TEEL teacher candidates are responsible for applying within the application window. If you miss the application window, your field experience will be delayed until the following semester.

**Student and Apprenticeship Teaching**

Student and Apprenticeship Teaching Applications (in Tk20) and all passing FTCE scores must be received by the deadline or your student teaching will be delayed until the next semester. Student Teaching and Apprenticeship teaching application deadlines are as follows:

- **Fall** – Application window is March 1st – May 1st. **Deadline is May 1st.** All test (FTCE) scores must be received by May 1st in order to secure a placement.
- **Spring** – Application window is August 1st – October 1st. **Deadline is October 1st.** All test (FTCE) scores must be received by October 1st in order to secure a placement.

In addition to passing all exams by the designated deadline and the application being submitted on time, teacher candidates must also pass all required courses with a C- or better prior to student teaching and maintain a minimum program GPA of 2.5.

Placements for Student Teaching are made by the Assistant Director of Field Placements. Once a placement is made, it will not be changed.
Your student or apprenticeship teaching experience will be a progressive responsibility for learning under the supervision of high-performing and highly qualified educators. Throughout the student teaching assignment, a cooperating teacher will closely monitor and measure your teaching skills to ensure you demonstrate the highest standards of excellence.

Teacher candidates completing student teaching outside of the UWF service area (Escambia County, Florida; Santa Rosa County Florida; and Okaloosa County, Florida) should view “UWF State Authorization Status” - [http://uwf.edu/online/out-of-state-students/state-authorization/](http://uwf.edu/online/out-of-state-students/state-authorization/) to determine if the state you are in allows UWF to place students for clinical experiences or internships. It is also suggested that you contact the district where you are seeking placement to verify availability.

**Internship Option**

There are a limited number of paid internships available each year for exemplary students. These internships fulfill the student teaching requirement and are available for any teacher candidate who meets the requirements for student teaching. All teacher candidates who are eligible for student teaching are invited to apply for the internships. The applications are available March 1st and should be completed by April 1st. Applicants are interviewed and the most qualified candidates are selected. The internships are 10 month student teaching experiences and are only available in **Escambia County, Florida**. Internships begin in July/August only – based on the school district’s calendar. The interns work with a master teacher in their classroom for the entire year while fulfilling all of the student teaching requirements.

**ESOL Endorsement**

The knowledge necessary to work with ESOL students is embedded within the content of your degree courses and in TSL4080 and TSL4081. The performance component for your ESOL endorsement is required in FE 2. For more information on the ESOL Endorsement go to [http://www.fldoe.org/academics/eng-language-learners](http://www.fldoe.org/academics/eng-language-learners)

**Reading Endorsement**

Students in an education certification degree program will complete Competencies 1-4 prior to student teaching. Competency 5, Demonstration of Accomplishment, is part of Senior Seminar and Student Teaching. For more information on Reading Endorsement go to [http://www.fldoe.org/academics/standards/just-read-fl/reading-endorsement.stml](http://www.fldoe.org/academics/standards/just-read-fl/reading-endorsement.stml)
Expectations

Fingerprints and Background Checks

To comply with the Jessica Lunsford Act, all teacher candidates completing a field experience in the State of Florida must be fingerprinted and complete a background check. Each school district is responsible for the fingerprinting of teacher candidates in that county. Teacher candidates should refer to the local school district website for procedures and costs for fingerprinting and background checks. *Teacher candidates will not be allowed entry into a school without completing the fingerprinting and background checks required by that district.*

Each Florida school district has different policies and teacher candidates should follow their specific district’s guidance. For instance, in some districts, teacher candidates must be fingerprinted every year whereas in others, they must be fingerprinted every 3-5 years. Therefore, teacher candidates should check with their local district to ensure their fingerprints are current prior to each field experience.

Directions for local districts can be found at the links below:

- Escambia County School District:
  [http://ecsd-fl.schoolloop.com/fingerprint](http://ecsd-fl.schoolloop.com/fingerprint) - Follow the directions for “STUDENT TEACHERS”. You do not need a CIN.
- Okaloosa County School District:
  [https://www.okaloosaschools.com/depts/hr/fingerprinting](https://www.okaloosaschools.com/depts/hr/fingerprinting)
- Santa Rosa County School District:
  [https://srsdhumanresources.weebly.com/fingerprint-information.html](https://srsdhumanresources.weebly.com/fingerprint-information.html)

- Teacher candidates in other states and countries should contact their local school district for guidance.

Liability Insurance and Medical Insurance

It is recommended that all teacher education teacher candidates purchase professional liability insurance. (Please see Appendix M for more information.) It is also recommended that teacher candidates should secure their own health/medical insurance to provide coverage for any illness or injury incurred during any field experience, as no such coverage is provided by the University of West Florida. If you are a distance/online student, you should check with the district where you will be doing your field experience or student teaching to find out if you need to purchase liability and/or medical insurance.

Please note some school districts will not hire teachers who have smoked within 6 months of the hiring date. This means if you are a smoker and wish to be hired as a new teacher, you may need to stop smoking at least 6 months prior to being hired. This is due to the rising medical costs associated with smoking. The penalty for lying about smoking on the application can be harsh. You should check on the smoking policy for the district in which you hope to teach.
Professionalism

Teacher candidates should always maintain a high level of professionalism, especially while in the schools. Indicators of professionalism include: a willingness to participate in activities, attendance, punctuality, strong work ethic, and demonstration of a positive attitude. Teacher candidates should maintain a professional stance while participating in the field experiences as well as away from the school environment. Lack of professionalism may result in the student being removed from a field placement and failing the course.

Dress Code

Teacher candidates participating in field experiences should dress according to professional practices and the faculty dress code for the school where you are placed. This includes procedures for clothing, tattoos, hair color and piercings. Jeans are not considered appropriate dress and any piercings should be removed with the exception of standard earrings for women or men. Shirts must cover the midriff and back and extend below the waistband of pants. On occasion, a modification to dress code will be needed for a special function and in these individualized situations, teacher candidates should follow the advice of the school’s administration and cooperating teacher. You must wear an identification badge at all times when on school grounds.

Dates of Attendance

Teacher candidates in Field Experience 1 and Field Experience 2 will begin their field work after placements have been confirmed. These placements conclude when teacher candidates have satisfactorily completed 100 hours of fieldwork – spread over a 10-12 week period. (See the University’s calendar for specific dates.) Teacher candidates in student teaching are expected to be in their field classrooms for the entire semester. All teacher candidates will follow the local school district’s schedule instead of the University’s schedule for holidays.

Daily Schedule

Teacher candidates in Field experience 1, Field experience 2, and practicum will work with their cooperating teacher to create a set schedule to complete their 100 hours in the classroom. All field experience teacher candidates are expected to be present and on-time once their schedule has been established.

In student teaching, teacher candidates must follow the same contractual requirements as those of the cooperating teacher, and are expected to be present for the same hours as their cooperating teacher for the 15 weeks of the semester. Typically, schools require teachers to arrive 30-40 minutes before the first bell and leave 30-60 minutes after the dismissal bell. If the teacher candidate is placed in a school with extended hours, they are expected to be there throughout the extended day. In these cases, the student placement will end the week before the last day of the semester for a total of 14 weeks.

In apprenticeship teaching, it is strongly recommended that candidates begin their placement when the teachers return from summer or winter break to maximize their learning of how to establish effective classroom routines, to begin building rapport with the CT, and to meet faculty members, students, and families of students.
Illness/Absences
Illness is difficult to avoid. However, the teacher candidates are responsible for planning in advance for any anticipated absences. If they must be absent, they will notify their cooperating teacher immediately so the teacher has time to make appropriate plans. Once the cooperating teacher has been notified, the teacher candidates must also inform the university supervisor immediately of any absences. Absences beyond three days require documentation from a health professional.

Please note: The Assistant Director of Field Placements and the Chair of TEEL reserve the right to terminate or extend the length of field experience, student teaching or apprenticeship teaching assignments where the teacher candidate misses too many days.

Time Management, Course Load, Work, and Life
Think about the number of hours you can contribute to your studies. There are only 168 hours in a week. The minimum amount of time you should spend on your course work weekly is 3 hours per semester hour. This means that if you are taking 15 semester hours, you should be spending at least 45 hours (3 x 15) per week on your courses. This does not include the 15 hours you are in class. Bottom line = a total of 60 hours for your studies. Online courses often take more time than courses that are face to face. Carefully consider what you are capable of doing before attempting too many courses in one semester.

Email Netiquette
● Check/access your MyUWF and Gmail accounts each day.
● Sign your email with your full name and UWF student I.D. number.
● Include the class you are referencing in the subject line.
● Maintain professionalism in your emails.
● Remember email is not “real time”. Emails may not be returned immediately.

Laptops and Cell Phones
In face-to-face courses, be sure to turn your cell phone on “silent” before class begins. Laptops should be used for taking notes or participating in technology-based activities assigned by the instructor. We want you to have the best possible education, and laptops should not be used for any other reason during class (e.g., social media, shopping). When you are in a field placement, your cell phone should be on “silent and stored away from sight.” You will refrain from using your cell phone in a K-12 classroom except for emergencies.
The Professional Triad – Roles

Supervision of teacher candidates is a responsibility shared by the cooperating teacher and the university supervisor. University of West Florida’s supervisory program is based on the principle that the cooperating teacher is responsible for classroom instruction and the university supervisor is a liaison between the cooperating teacher, school, and the university. In addition, university supervisors evaluate the teacher candidate on planning, teaching, assessment, and professionalism in consultation with the cooperating teacher.

Terms Defined

**Teacher Candidate:** a student accepted into a Teacher Education program who is working toward an education degree and enrolled in a field experience course.

**Field Experience 1 (FE1) Teacher Candidate:** a student enrolled in the first of three field experiences required for elementary and ESE/Elem majors. Community Education* majors will also enroll in this first field experience. The FE1 student is expected to be in the classroom for 100 hours over 10-12 weeks (a minimum of 2 days each week).

(*Community Education majors will also complete a high impact practice practicum and a capstone course.)

**Field Experience 2 (FE2) Teacher Candidate:** a student enrolled in the second of three field experiences. Over 10-12 weeks, teacher candidates are expected to be in the classroom for a minimum of 100 hours; 25 hours of their placement must be working with an ESOL student. The FE2 student should be in his/her assigned classroom a minimum of 2 days each week of the field experience.

**Secondary Practicum (SP) Teacher Candidate:** a student enrolled in one clinical experience for a secondary education minor or a student enrolled in the first of two field experiences required for UWF-Teach secondary majors. The SP student is expected to be in the classroom for 100 hours over 10-12 weeks (a minimum of 2 days each week).

**Apprenticeship Teacher (AT) Teacher Candidate:** a student enrolled in the culminating field experience, apprenticeship teaching. Apprenticeship teachers are required to be in the classroom half day for a minimum of 15 weeks. It is strongly recommended that apprenticeship teachers begin their placement when the teachers return from summer or winter break to maximize their learning of how to establish effective classroom routines, to begin building rapport with the CT, and to meet faculty members, students, and families of students.

**Student Teacher:** a teacher candidate enrolled in the culminating field experience, student teaching. Student teachers are required to be in the classroom full time for a minimum of 15 weeks. It is strongly recommended that student teachers begin their placement when the teachers return from summer or winter break to maximize their learning of how to establish effective classroom routines, to begin building rapport with the CT, and to meet faculty members, students, and families of students.
**Intern**: a student selected to serve as a paid intern for his/her culminating field experience. Intern teacher candidates are required to be in the classroom full-time beginning with teacher pre-planning week through the final day of school.

**Cooperating Teacher (CT)**: a fully certified teacher who is responsible for guiding the professional growth and expertise of a field experience student.

**University Supervisor (US)**: The University Supervisor works collaboratively with the cooperating teacher in providing meaningful reflection experiences and evaluations of the teacher candidate.
Teacher Certification

Accreditation

UWF is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). TEEL is a part of the UWF’s Professional Education Unit (PEU), which is accredited by CAEP. Additionally, UWF teacher certification programs are reviewed and approved by the Florida Department of Education (FLDOE).

NOTE: Certification programs lead to certification in the state of Florida. Students planning to teach/practice outside Florida should consult with the agency for that state or contact the department for further information. Licensure information by state can be found at: https://nc-sara.org/guide/state-authorization-guide

Florida Teacher Certification Exams

The first Florida Teacher Certification Exam (FTCE) is the General Knowledge (GK) Test (basic skills) and it is a Department of Teacher Education and Educational Leadership admission requirement for all undergraduate certification track programs. This exam must be passed prior to admission to one of the certification degree education majors as required by Florida State Statute. There are four subtests of this exam: Mathematics, Reading, English Language Skills, and Essay. All four subtests must be passed in order to pass the GK Test. Additionally, due to Florida State Statute, students are not permitted to take upper level education course work without passing all four sections of the General Knowledge Test while in a teacher preparation program. (Please note: passing the CLAST prior to July 1, 2002 can no longer be used in lieu of passing the GK test for admission purposes.)

The next FTCE exam is the Professional Education Test* (PRO ED) which is based on educational theories and foundations as well as practical knowledge. This exam must be passed prior to student teaching. Deadline for submitting passing scores for fall placement is May 1. Deadline of submitting passing test scores for spring is October 1. It is recommended the student take this exam early in the TEEL program after passing EDF3234, EDG 4413 and completing the TEEL foundation courses. For more information, refer to Appendix B “Degree Plans: Additional Requirements.”

Finally, the teacher candidate must take and pass the FTCE Subject Area Exam(s)* associated with his or her certification track program. [Elementary Education K-6 exam is required for both degrees and those in the ESE/Elementary degree will also need the Exceptional Student Education K-12 exam.] These exams are based on the content and methods of your major. All required subject area exams must be passed prior to student teaching. Deadline for submitting passing scores for fall placement is May 1. Deadline for submitting passing test scores for spring is October 1. We recommend students take the Elementary Education K-6 and Exceptional Student Education K-12 exams early, after completing the methods and most of the content courses, in order to leave time to retake if necessary. For more information, refer to Appendix B “Degree Plans: Additional Requirements.”

20
* You must wait 31 calendar days after taking a test/subtest/section, otherwise the score for your retake will be invalidated and no score report will be issued. It may take up to 6 weeks to get exam scores back.

- **For fall semester student teaching, FTCE scores must be received by May 1st.**
- **For spring semester student teaching, FTCE scores must be received by October 1st.**

See Appendix C for FTCE study guidelines.

FTCE Information: [https://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/support--resources/ftce-information/](https://uwf.edu/ceps/departments/teacher-education-and-educational-leadership/support--resources/ftce-information/)

Registration for computer-based Florida Teacher Certification Exams is by appointment only at various testing sites. Go online to Florida Teacher Certification Examinations (FTCE) website at [http://www.fl.nesinc.com/](http://www.fl.nesinc.com/) to register for your FTCE certification exams. The cost of these tests (and retakes) varies so please refer to the above website for the most up-to-date information about this.

Out-of-state students: You may have to plan to travel to Florida to take the exams or make arrangements at a remote testing facility where available. View test center location in Florida and throughout the United states at [http://www.fl.nesinc.com/FL_TestCenterMap.asp](http://www.fl.nesinc.com/FL_TestCenterMap.asp)
Graduation

Pre-Graduation Audit

TEEL undergraduate majors are required to meet with the assigned CEPS academic advisor to complete a Pre-Graduation Audit prior to graduation. This audit is intended to advise the student of all courses needed for graduation and to confirm that all remaining requirements are included in the degree plan.

Graduation Process

TEEL majors are responsible for understanding and meeting all UWF and TEEL graduation requirements. Having met all requirements for an undergraduate degree major, a student is expected to graduate.

Student responsibilities include:

1. Meeting with a TEEL undergraduate academic advisor each semester to discuss degree progression,
2. Completing the Graduation Application online: http://uwf.edu/offices/registrar/graduation-guide/apply-to-graduate/, and
3. Meeting all requirements for the degree (see below)

UWF Bachelor’s Degree Requirements

Requirements include, but are not limited to:

- 120 semester hours in an approved program to meet state law requirements
- UWF cumulative 2.00 GPA with a major GPA of 2.00 for TEEL undergraduate non-certification track programs
- UWF cumulative 2.50 GPA with a major GPA of 2.50 for TEEL undergraduate certification track programs
- 48 semester hours in upper-level course work
- 25% of degree program credits must be earned at UWF
- The last 30 semester hours of credit for a degree must be earned at UWF
- 24 semester hours of upper-level work in the major field with a minimum of 18 upper-level semester hours in the major field at UWF
- Fulfillment of Gordon Rule (Writing and Mathematics) Requirements
- Completion of all General Education requirements
- Completion of all program specific lower division common prerequisites
- Completion of admissions foreign language requirement
- Completion of multicultural requirement
- Nine hours of summer semester enrollment at a SUS institution (students who entered UWF with less than 60 semester hours)
- Admitted and enrolled at UWF in a degree-seeking status for a minimum of one semester in the degree program for which a degree is awarded
- Admitted and enrolled at UWF in a degree-seeking status within the last five years of the date the degree is awarded. TEEL undergraduate students should contact their
academic advisor to determine the minimum hours and courses in which to enroll. Students who need to be readmitted will be required to meet the degree requirements of the current catalog.

NOTE: A degree will not be awarded for a student who is on academic probation or suspension.

After Graduation

Upon graduation with a major in education from a TEEL certification program, students are eligible for a five-year professional certificate in their subject area(s) from the State of Florida. To secure this, they are required to submit an application to the FLDOE. For more information go to http://www.fldoe.org/teaching/certification/index.shtml. This information is addressed in your senior seminar course: EDG4936.
Support Services & Resources

Center for Academic Success

The Center for Academic Success provides free tutorial assistance and academic support services to all students, including distance learners enrolled at the University of West Florida. The Center is located in Building 21. Please contact (850) 474-3176 or visit: https://uwf.edu/academic-engagement-and-student-affairs/departments/center-for-academic-success/

UWF Writing Lab

The UWF Writing Lab provides assistance with learning proper grammar and writing papers. This service is available to online students as well as local students. The main lab is located in Building 51, Room 157. http://uwf.edu/cassh/support-resources/the-uwf-writing-lab/

Student Advocate

In addition to the Student Ombudsperson, a Student Advocate is available to assist students with information regarding University policies, grievance procedures, and appeal procedures. The Student Advocate may also serve as a facilitator in the resolution of disagreements, grievances or otherwise unsatisfactory conditions. The Student Advocate, a UWF student, is appointed by the Student Government Association (SGA) President. Students wishing to speak with the Student Advocate should go to the SGA Office located in the University Commons (Building 22), Room 227 or call (850) 474-2393.

Financial Aid

Students attending on-campus or online may apply for eligibility to receive financial aid. The financial aid home page is located at http://uwf.edu/finaid/index.cfm

Please familiarize yourself with this site, which contains information, applications, additional forms, as well as the steps to follow in the financial aid process. Please read the information found in the “Scholarship” link, if you are interested in applying for scholarships. Note: deadlines apply.

Students attending UWF online who are non-Florida residents may apply for an out-of-state tuition waiver online at http://uwf.edu/online/we-are-affordable/

Any questions regarding financial aid should be directed to the Financial Aid Office. To find your financial aid counselor go to: https://secure.uwf.edu/offices/financial-aid/contact-us/contact-your-financial-aid-counselor/

UWF ONLINE!

As a UWF student, you will be expected to access your MyUWF and Gmail accounts on a daily basis. MyUWF is a “one-stop shop” for all the information you need as a student. Your student records, registration and course search, graduation dashboard, eLearning online courses, financial aid and account balance, HOLD information, grades, and your academic audit can all be found in MyUWF. To access your MyUWF account, go to our
home page at my.uwf.edu. If you have difficulties signing up or understanding this website, please contact the UWF Informational Technology Services (ITS) at 850.474.2075.

Your Degree Works audit is a list of each requirement you will need to complete to graduate from UWF. Your academic advisor can help you read your audit; however, you should review it frequently on your own to maintain accuracy.

Gmail is your student email account that you may access by going to the Gmail login at http://gmail.students.uwf.edu using your MyUWF username and password.

**UWF Library Access**

Students who are taking any classes on the UWF main campus are required to obtain a Nautilus Card. On-campus students can access library materials from the UWF library (Building 32) and Professional Studies Library (Building 86/Room105) with the use of the Nautilus Card.

If all of your classes are online you may request a Library Access Number as follows:

- Go to the Library Home Page at www.lib.uwf.edu
- Click on “Services” (a link on the left)
- Click on “Access for Distance Learners”
- Click on “Access” (link in center of page) and follow the directions

The Circulation Department will send you an access number via email and you will be able to access library materials online.

While waiting for an access number, you should be able to login to MyUWF, click on the “MY Campus” tab, and locate the library interface in the center column. If you enter the databases here, in most cases you will have full access even without an access number. If you should have any additional questions regarding access to library materials, contact the Circulation Department at 850.474.2414.

**UWF Bookstore**

Students can purchase textbooks online at http://www.efollett.com/ by typing “University of West Florida” in the search box. In addition to books, students can purchase UWF apparel and gifts, school supplies, and computer products.

Once you register for classes, go to My Classes in MyUWF, then click on Purchase Textbooks, This link shows what books your instructors have ordered for your various classes, both required and recommended. You can pay for them online and have them shipped to you, or you can pay for them online and have the books held by the bookstore until you can pick them up in person.

**Military and Veterans Resource Center**

The UWF Military & Veterans Resource Center (MVRC) serves as a leading campus advocate for military, dependents and veteran students, working to ensure the needs of
these individuals are met through coordinating with multiple university offices and services. The center provides assistance with the following:

- VA education benefits
- Active duty tuition assistance
- Out of state fee waiver
- Coordinating academic advising
- Tutoring
- Counseling
- Disability accommodations
- Referral to state and federal resources and services’

The MVRC can be found in Building 38, Room 147. They can also be contacted at 850-474-2550 and mvrc@uwf.edu. For more information, you can also go to:
http://uwf.edu/offices/military-veteran-resource-center/

Disability Services for Students

The Student Accessibility Resources office provides assistance for eligible students with disabilities by ensuring that appropriate academic accommodations are made. Accommodations vary by individual and may include interpretive services, testing accommodations, assistive technology, and note taking assistance. Appropriate academic accommodations will be determined based on the documented needs of the individual. For more information, please contact the Student Accessibility Resources, Building 19, Room 100D, (850) 474-2387 (V/TDD: (850)857-6107), or https://uwf.edu/academic-engagement-and-student-affairs/departments/student-accessibility-resources/

Health Services

Student Health Services, located in Building 960, provides primary care for all currently enrolled students. While the cost to see a provider is covered by the student health fee, there are nominal charges for labs, immunizations, and certain exams, procedures, and treatments. Students are seen by appointment only. The clinic is open Monday, Tuesday, Wednesday, and Friday from 8 a.m. - 5 p.m. and Thursday from 9 a.m. - 5 p.m. Appointments can be made in person or by calling (850) 474-2172.

Immunization records are required for all students attending class on campus. Please submit these records to Health Services. You will not be able to register for classes until Health Services has your immunization records. Go to Immunization Status in MyUWF for more information.

Counseling & Psychological Services & Wellness Services

Counseling & Psychological Services (CAPS) and Wellness Services are both located in Building 960, Suite 200-A. These areas work collaboratively to create a culture at UWF
in which students value and nurture both physical and mental health. Each area also works independently, providing unique contributions to the UWF campus community.

“CAPS offers counseling and therapy to help students address how to manage, cope and grow with the stress associated with school and life.” Some of the services CAPS provides include the following: therapy, outreach, self-help resources, mental health screenings, trainings, information for parents, and faculty and staff emergency guides. For more information call (850) 474-2420 or stop by between 8 am and 5 pm – Monday through Friday.

“The mission of UWF Wellness Services is to support student success through health education, promoting healthy choices, and encouraging activism.” Some of the services offered by the Wellness Office include sexual health, drug awareness, and gender and sexual violence. Wellness Services also works with the UWF Peer Educators to promote student driven health efforts on campus. For more information call (850) 473-7112.
Field Experience 1 and 2 and Secondary Practicum Responsibilities/Duties

Cooperating Teacher (CT)

Cooperating teachers are the professionals with whom teacher candidates are most closely associated during their field experiences. The cooperating teacher provides guidance and support, and serves as both a mentor and coach. For our purposes, these are the definitions we will use for these terms:

- Mentor: an experienced and capable teacher who supports, encourages, and nurtures a field experience student. This relationship-based process is designed to help the field experience student grow both personally and professionally in order to become a highly effective teacher.
- Coach: a knowledgeable teacher who identifies and works to develop specific skills in a field experience student. This relationship-based process is designed to set goals in regards to specific dispositions, knowledge, skills and behaviors on which the field experience student may need to focus in order to maximize his or her potential.

Criteria for Cooperating Teacher

The qualifications of cooperating teacher are based upon the following criteria, which are mandated by the Florida Department of Education and have been agreed upon by the College of Education and Professional Studies and the school districts. The cooperating teacher must:

- Have three years of teaching experience in the area they will be supervising (at least one of these in the district at the grade level or subject where the field experience student is assigned)
- Possess full state certification, based upon at least a bachelor’s degree, for the grade level or subject to which the field experience student is assigned
- Possess ESOL/Reading Endorsements (if applicable to the placement)
- Be recommended by her principal and approved by the administration of the teacher education institution
- Have earned “effective” or “highly effective” on the most recent evaluation by the principal
- Have completed the 2018 Revised Clinical Educator Training (CET) – Check with your local district or TEEL placement office about upcoming training sessions
- Make coaching and mentoring a teacher candidate a priority
- Demonstrate effective classroom management
- Demonstrate personal/professional attitudes desirable for one in a leadership role in teacher education
- Demonstrate evidence of continuous professional growth
- Exhibit professional and ethical behavior
Participate in the program willingly and look upon supervising the growth of a field experience teacher candidate as a contribution to the profession.

**Responsibilities of Cooperating Teacher**

The cooperating teacher is in a key position in determining the success or failure of a teacher candidate’s field experience. The cooperating teacher is the primary mentor and guide for candidates during their field experience. The specific responsibilities of the cooperating teacher for teacher candidates in Field Experience 1 and 2 are described in more detail in the table below:

- Facilitate introduction of the field experience teacher candidate to the school administration, staff, parents, and students and provide guidelines on dress code requirements specific to your district.
- Instruct field experience teacher candidate on professional etiquette and dispositions.
- Provide leadership, direction, and assistance to the field experience teacher candidate.
- Allow the field experience teacher candidate time for initial classroom observations and orientation to curriculum, instructional materials, and students. As soon as the CT and teacher candidate are ready, the CT should begin giving the candidate tasks in the classroom. These tasks may include but are not limited to: individual student support, leading small groups, leading morning work, transporting class to lunch or special areas, reviewing student work, helping to organize/create classroom materials etc.
- Allow the field experience teacher candidate sufficient time to plan/develop lessons and/or activities to be taught in the classroom.
- Provide the following suggested activities:
  - Teaching reading
  - Planning, adapting, delivering, and evaluating units that include curriculum materials, activities, and assessments with ELL students
  - Parent-teacher conferences
  - Faculty meetings
  - Team meetings
  - Additional duties: cafeteria/bus/library/etc.
  - Field trips
  - Resource classroom
  - I.E.P. and/or 504 Screening
- Observe and informally evaluate the field experience teacher candidate’s performance, providing frequent, targeted constructive feedback. For field
experience 1 and 2, the student’s lessons and activities will be evaluated by the cooperating teacher, with feedback provided. The CT may use any observation tool they feel is appropriate. All feedback should be based upon evidence gathered.

- Complete the CT Feedback Form that corresponds to the teacher evaluation instrument used in your district after week 5 and the end of the term- Field Experience 1 and 2 located in Appendix J.
- Work with field experience student to establish a designated day and time each week for focused reflection and feedback.
- Assist the teacher candidate in developing any remedial plans necessary to help the student develop instructional and/or behavior management skills.
- Arrange a pre-observation conference with the candidate prior to lesson(s) and approve all lesson plans.
- Contact the university supervisor immediately if concerned about the field experience student’s performance or behavior.

Key Things to Remember
- UWF students are not allowed to chaperone alone any type of activity during the placement.
- The University prohibits the use of UWF students as substitute teachers during the placement.
- UWF teacher candidates are expected to know their pupils as well as possible through observations, conferences, test scores, and examination of school records.
- UWF teacher candidate behavior during school days and non-school days should be governed by the fact that they are now a professional person.
- Teacher candidates must be available for scheduled, or impromptu, conferences with the cooperating teacher and/or university supervisor.

Responsibilities of University Supervisor
The university supervisor is the instructor of the course and is responsible for collecting and submitting all assignments, observations and feedback relevant to the candidate’s performance in the field course. The university supervisor is also responsible for providing needed support to the student and the cooperating teacher. The university supervisor’s final evaluation submission in Tk20 must reflect input from the candidate and cooperating teacher.

- Meet with the cooperating teacher and field experience student for introductions and an outline of upcoming activities.
- Review all lesson plans.
- FE1 – Observe and formally evaluate one instructional session, providing feedback.
- FE2 – Observe and formally evaluate two instructional sessions, providing feedback. Complete informal observations as necessary.
- **SP** - Observe and formally evaluate two instructional sessions, providing feedback. Complete informal observations as necessary.
- Be readily available to discuss problems that may arise.
- Assist the CT and the field experience student in developing any remedial plans necessary to help the student develop instructional and/or management skills.
- Complete Dispositions Form (Appendix D). Submit to Tk20.
- Complete a final review conference with candidate and CT in order to complete Tk20 evaluation together.
- Submit the Tk20 Field Experience Binder at the end of the semester. (When completing evaluations in Tk20, please do not leave any item “unbubbled” or unmarked. Leaving items unmarked causes errors in the reporting of the evaluations.)

### Responsibilities of Teacher Candidate

The relationship between the teacher candidate and cooperating teacher is of critical importance. It is necessary for an open and positive relationship to exist from the onset. The teacher candidate should take the initiative in establishing communication with the cooperating teacher. If at any point, the teacher candidate is having difficulty or senses a problem with the relationship, he or she should bring up the issue immediately with the cooperating teacher. If the issue is not resolved, teacher candidate should inform the university supervisor. It is essential that any barriers to open communication be resolved quickly. To establish a productive working relationship with the cooperating teacher, the teacher candidate should:

- Display an interest in becoming an effective teacher by conveying a sincere desire to learn, willingness to cooperate, and an appreciative attitude towards any suggestions and constructive criticism.
- Keep in mind that the cooperating teacher is considered the “expert” and as such has specific knowledge of the subject matter, students and their needs, teaching strategies, planning, and assessment. You are the novice and are there to learn. Seek the advice of the cooperating teacher and be open to any suggestions and feedback.
- Strive for insights from the observation and participation phases of the field experiences.
- Take an early initiative in assuming responsibility by asking the CT how you can participate in the classroom activities.
- When teaching, attempt alternate teaching techniques to discover and develop an individual teaching style.
- Realize that classroom pupils are the ultimate responsibility of the cooperating teacher and that variations from standard procedure should be discussed in advance with the cooperating teacher. (The teacher candidate and cooperating teacher are
encouraged to be innovative in ensuring the student is able to apply research-based strategies in the classroom.)

- Schedule and hold regular conferences to discuss planning.
- Conduct him/herself professionally at all times. (See “Expectations” in the first section of this guide).
- Dress professionally. (See “Expectations” in the first section of this guide).

**Additionally, the FE1 and FE2 and Secondary Practicum Teacher Candidate should:**

- Review teacher’s editions and curriculum guidelines for assigned grade level.
- Be prompt and thoroughly plan lessons.
- Communicate directly and honestly with the cooperating teacher and university supervisor and instructor.
- Have the cooperating teacher approve all schedules, lesson plans, and activities.
- Immediately inform the cooperating teacher and university supervisor of any changes in the agreed upon field experience schedule.

**FE1 teacher candidate** – Demonstrate weekly teaching skills focused on the best practices for that week. Comprehensively plan one lesson which will be formally evaluated by the university supervisor.

**FE2 teacher candidate** – Comprehensively plan at least three lessons delivered in a variety of instructional formats. All lessons will be evaluated by the cooperating teacher; the first and last lessons will be formally evaluated by the university supervisor.

**SP teacher candidate** - Demonstrate weekly teaching skills focused on the best practices for that week. Comprehensively plan two lessons which will be formally evaluated by the university supervisor.

- Submit assignments in a timely manner, to both the cooperating teacher and course instructor. Submit designated assignments to Tk20.
- Complete an evaluation on your CT and US.
- Maintain a paper copy of attendance using the Daily Attendance Record or a form approved by the university supervisor. The cooperating teacher should initial each day the teacher candidate is in the classroom. The university supervisor will verify hours in Tk20 at the end of the semester.
### Field Experience 1 and 2 and Secondary Practicum
#### CT and US Roles and Responsibilities

<table>
<thead>
<tr>
<th>Cooperating Teacher (CT) Roles &amp; Responsibilities</th>
<th>University Supervisor (US) Roles &amp; Responsibilities</th>
</tr>
</thead>
</table>
| ❖ Communicate with candidate and University Supervisor (US) regularly.  
❖ Commit to mentoring and coaching teacher candidate.  
❖ **FE1** - Meet with University Supervisor (US) and teacher candidate (virtually or in person) **at least 2 times**: once for orientation and once at the end for summative evaluation.  
❖ **FE2** - Meet with University Supervisor and teacher candidate (virtually or in person) **at least 3 times**: once for orientation, once for feedback for teacher candidate and once at the end for summative evaluation.  
❖ **FE1 and 2** - Evaluate lesson(s) taught by the teacher candidate utilizing the feedback form that corresponds with your district evaluation system and share feedback with the teacher candidate. | ❖ Organize meetings with the teacher candidate, cooperating teacher (CT), and university supervisor (US).  
❖ Communicate with candidate and CT regularly: **FE1** - 4-8 times/semester, more if necessary and **FE2 & SP** - 6-8 times/semester, more if necessary.  
❖ Explain expectations regarding coaching teacher candidate to the classroom teacher.  
❖ **FE1** - Meet at least 2 times with classroom teacher and teacher candidate (virtually or in person).  
❖ **FE2 & SP** - Meet **at least 3 times** with the classroom teacher and teacher candidate (virtually or in person).  
❖ **FE1** - Evaluate one lesson taught by the student and share with the CT.  
❖ **FE2 & SP** - Evaluate two lessons taught by the teacher candidate and share with the CT. |
**Scaffold teacher candidate’s experiences**

- Model and instruct candidate on professional dispositions
- Monitor progression of teacher candidate’s teaching and learning.
- **FE1** - Assist teacher candidate with understanding and applying research based best practices.
- **FE2** - Assist teacher candidate with a **deeper** understanding and applying research based best practices.
- Assist teacher candidate in identifying strengths and areas for improvement.
- Support teacher candidate in completing requirements for field experience.
- **FE2** - Observe teacher candidate working with ESOL students and provide feedback.
- **FE2** - Observe teacher candidate seeking ESE certification working with students with special needs and provide feedback. Observe teacher candidate seeking ELE certification working with students with elementary and provide feedback.

**Scaffold teacher candidate’s experiences**

- **FE1 & SP** - Provide instruction on professional dispositions and ethics.
- Monitor progression of teacher candidate’s teaching and learning.
- **FE1** - Assist teacher candidate with understanding instrument and rubric for teacher performance expectation (i.e. Danielson).
- **FE1** - Use the teacher performance rubric to provide feedback to teacher candidate on identified elements after observation.
- **FE2 & SP** - Assist teacher candidate with a **deeper** understanding (**why and how**) of the instrument and rubric for teacher performance expectation (i.e. Danielson).
- **FE2 & SP** - Use the entire teacher performance rubric to provide feedback to teacher candidate (at least two observations) and more if necessary for teacher candidate to at least meet minimum expectations.
- Work with teacher candidates to identify artifacts to upload to Tk20 for program evaluation as evidence to support rubric ratings.
- **FE2** - Provide feedback and support to teacher candidate working with ESOL students.
- **FE2** - Observe teacher candidate seeking ESE certification working with students with special needs and provide feedback. Observe teacher candidate seeking ELE certification working with students and provide feedback.
- Review lesson plans and provide feedback.

**Final Evaluation of Field Experience 1 and 2 and Secondary Practicum**

The *university instructor* will make the final decision for the teacher candidate’s final grade for field experience. However, in order to pass FE1, the candidate must **not make below a “needs improvement”** on the 9 Critical Components of the Danielson Framework on his/her summative evaluation **or less than a “partially meets expectations”** on any of the dispositions.

The *university instructor* will make the final decision for the teacher candidate’s final grade for field experience. However, in order to pass FE2, the candidate must **earn a "Needs Improvement" or above** rating on **16 or more components of the Danielson Evaluation Rubric and a passing score on all dispositions**.

**Evaluation Instrument**

UWF uses the Danielson Evaluation Instrument for all field placements. The evaluation instrument employs a four-level rating scale: Effective, Developing, Needs Improvement, and Unsatisfactory. See Appendix E for the complete evaluation.
**Student and Apprenticeship Teaching Responsibilities/Duties**

**Cooperating Teacher (CT)**

Cooperating teachers are the professionals with whom teacher candidates are most closely associated during their field experiences. The cooperating teacher provides guidance and support, and serves as both a mentor and coach. For our purposes, these are the definitions we will use for these terms:

- **Mentor:** an experienced and capable teacher who supports, encourages, and nurtures a field experience student. This relationship-based process is designed to help the field experience student grow both personally and professionally in order to become a highly effective teacher.

- **Coach:** a knowledgeable teacher who identifies and works to develop specific skills in a field experience student. This relationship-based process is designed to set goals in regards to specific dispositions, knowledge, skills and behaviors on which the field experience student may need to focus in order to maximize his or her potential.

**Criteria for Cooperating Teacher**

The qualifications of cooperating teacher are based upon the following criteria, which are mandated by the Florida Department of Education and have been agreed upon by the College of Education and Professional Studies and the school districts. The cooperating teacher must:

- Have three years of teaching experience in the area they will be supervising (at least one of these in the district at the grade level or subject where the field experience student is assigned)
- Possess full state certification, based upon at least a bachelor’s degree, for the grade level or subject to which the field experience student is assigned
- Possess ESOL/Reading Endorsements (if applicable to the placement)
- Be recommended by her principal and approved by the administration of the teacher education institution
- Have earned “effective” or “highly effective” on the most recent evaluation by the principal
- Have completed the 2018 Revised Clinical Educator Training (CET) – Check with your local district or TEEL placement office about upcoming training sessions.
- Make coaching and mentoring a teacher candidate a priority
- Demonstrate effective classroom management
- Demonstrate personal-professional attitudes desirable for one in a leadership role in teacher education
- Demonstrate evidence of continuous professional growth
- Exhibit professional and ethical behavior
Participate in the program willingly and look upon supervising the growth of a field experience student as a contribution to the profession

**Responsibilities of Cooperating Teacher**

The cooperating teacher is in a key position in determining the success or failure of a teacher candidate’s field experience. The cooperating teacher is the primary mentor and guide for candidates during their student teaching. The specific responsibilities of the cooperating teacher for teacher candidates in Student Teaching or Apprenticeship Teaching are described in more detail in the table below:

- Facilitate introduction of the student teacher or intern to the school administration, staff, parents, and students and provide guidelines on dress code requirements specific to your district.
- Provide leadership, direction, and assistance to the field experience teacher candidate.
- Allow the student teacher candidate time for initial classroom observations and orientation to curriculum, instructional materials, and students. As soon as the CT and teacher candidate are ready, the CT should begin giving the candidate tasks in the classroom. These tasks may include but are not limited to: individual student support, leading small groups, leading morning work, transporting class to lunch or special areas, reviewing student work, helping to organize/create classroom materials etc.
- Allow the teacher candidate sufficient time to plan/develop lessons to be taught in the classroom.
- Provide the following suggested activities:
  - Teaching reading
  - Planning, adapting, delivering, and evaluating units that include curriculum materials, activities, and assessments with ELL students
  - Parent-teacher conferences
  - Faculty meetings
  - Team meetings
  - Additional duties: cafeteria/bus/library/etc.
  - Field trips
  - Resource classroom
  - I.E.P. and/or 504 Screening
- Observe and informally evaluate the student teacher candidate or intern’s performance, providing frequent, targeted constructive feedback. The CT should then share observation information with the US. The CT may use any observation tool they feel is appropriate. All feedback should be based upon evidence gathered.
Complete the CT Feedback Form - Student Teaching/Internship located in Appendix K at mid-term and end of the semester.

Work with student teacher/intern to establish a designated day and time each week for focused reflection and feedback.

Assist the teacher candidate in developing any remedial plans necessary to help the student develop instructional and/or behavior management skills.

Arrange a pre-observation conference with the candidate prior to each lesson and approve all lesson plans.

Contact the university supervisor immediately if concerned about the field experience teacher candidate’s performance or behavior.

Key Things to Remember

- UWF teacher candidates are not allowed to chaperone alone any type of activity during the placement.
- The University prohibits the use of UWF teacher candidates as substitute teachers during the placement.
- UWF teacher candidates are expected to know their pupils as well as possible through observations, conferences, test scores, and examination of school records.
- UWF teacher candidate behavior during school days and non-school days should be governed by the fact that they are now a professional person.
- Teacher candidates must be available for scheduled, or impromptu, conferences with the cooperating teacher and/or university supervisor.

Responsibilities of University Supervisor

The university supervisor is the instructor of the course and is responsible for collecting and submitting all assignments, observations, and feedback relevant to the candidate’s performance in student teaching. The University supervisor is also responsible for providing needed support to the student and the cooperating teacher. The university supervisor’s final evaluation submission in Tk20 must reflect input from the candidate and cooperating teacher.

- Meet with the cooperating teacher and student teacher for introductions and to outline the semester.
- Review lesson plans.
- Complete at least 3 formal observations using the Danielson Evaluation Rubric. Complete informal observations as necessary.
- Be readily available to discuss any problems that may arise.
- Assist the CT and the student teacher candidate in developing any remedial plans necessary to help the candidate develop instructional and/or management skills.
• Complete a final review conference with candidate and CT in order to complete Tk20 evaluation together.

• Submit the Tk20 Student Teaching Binder at the end of the semester. (When completing evaluations in Tk20, please do not leave any item “unbubbled” or unmarked. Leaving items unmarked causes errors in the reporting of the evaluations.)

Responsibilities of Teacher Candidate

The relationship between the teacher candidate and cooperating teacher is of critical importance. It is necessary for an open and positive relationship to exist from the onset. The teacher candidate should take the initiative in establishing communication with the cooperating teacher. If at any point, the teacher candidate is having difficulty or senses a problem with the relationship, he or she should bring up the issue immediately with the cooperating teacher. If the issue is not resolved, teacher candidate should inform the university supervisor. It is essential that any barriers to open communication be resolved quickly. To establish a productive working relationship with the cooperating teacher, the teacher candidate should:

• Display an interest in becoming an effective teacher by conveying a sincere desire to learn, willingness to cooperate, and an appreciative attitude towards any suggestions and constructive criticism.

• Keep in mind that the cooperating teacher is considered the “expert” and as such has specific knowledge of the subject matter, students and their needs, teaching strategies, planning, and assessment. You are the novice and are there to learn. Seek the advice of the cooperating teacher and be open to any suggestions and feedback.

• Strive for insights from the observation and participation phases of the field experiences.

• Take an early initiative in assuming responsibility and when teaching, attempt alternate teaching techniques to discover and develop an individual teaching style.

• Realize that classroom pupils are the ultimate responsibility of the cooperating teacher and that variations from standard procedure should be discussed in advance with the cooperating teacher. (The teacher candidate and cooperating teacher are encouraged to be innovative in ensuring the student is able to apply research-based strategies in the classroom.)

• Schedule and hold regular conferences to discuss planning.

• Complete an evaluation on your CT and US.

• Conduct him/herself professionally at all times. (See “Expectations” in the first section of this guide).

• Dress professionally. (See “Expectations” in the first section of this guide).
Additionally, the Student Teacher/Intern should:

- Review teacher's editions and curriculum guidelines for assigned grade level.
- Be prompt and thoroughly plan lessons.
- Be prepared to teach lessons.
- Communicate directly and honestly with the cooperating teacher and university supervisor and instructor.
- Have the cooperating teacher approve all lesson plans and activities.
- Immediately inform the cooperating teacher and university supervisors of any absences.
- Submit assignments in a timely manner, to both the cooperating teacher and course instructors. Submit designated assignments to Tk20.

Student Teaching Timeline

**Weeks 1 and 2**

During the first two weeks of the semester, the teacher candidate should observe and complete any duties assigned by the cooperating teacher. The teacher candidate should also work with individuals and small groups. The teacher candidate may begin to teach lessons during the second week.

**Weeks 3 and 4**

During weeks 3 & 4, the teacher candidate should move from the observation/assistant phase of student teaching to playing a more active role in daily student supervision tasks (such as taking over attendance, morning work, lunch count, etc.). The teacher candidate should continue to work with individuals and small groups in addition to taking over small routine tasks such as attendance, morning work, lunch count, and additional tasks as assigned by the Cooperating teacher.

**Weeks 5 thru 7**

In week five, the teacher candidate should continue managing the daily tasks. The teacher candidate should begin to assume the primary responsibility (with the cooperating teacher’s guidance) for planning and teaching one subject/class period (or approximately one hour of the day’s program) each day for weeks 5, 6, and 7. During weeks five through seven, the teacher candidate should add a subject/class period for each week until the teacher candidate has assumed all of the Cooperating teacher’s duties.

By the end of the fifth week, teacher candidate, cooperating teacher and university supervisor will discuss the teacher candidate disposition form. The university supervisor will upload the form to Tk20.
**Weeks 8 thru 13**

The teacher candidate should be responsible for planning and teaching the entire day for six weeks (weeks 8-13). The teacher candidate should retain the responsibilities assumed in the previous weeks and complete a minimum of six weeks of full-time teaching. Full-time teaching responsibility includes planning and duty stations assigned to the cooperating teacher. For TEEL Elementary Education and ESE/EL Ed programs, the student must also submit a reading unit plan and be observed by a reading evaluator (i.e., certified reading teacher). See your Senior Seminar schedule for due dates.

After the university supervisor observes, the teacher candidate, and university supervisor will meet for a post conference. The cooperating teacher may also participate in these post conferences. At least three observations will be completed.

*By mid-term, the cooperating teacher will submit the 1st feedback form to the university supervisor.*

**Weeks 14 and 15**

The Teacher candidate should gradually return primary responsibility of planning and teaching the class to the cooperating teacher.

The teacher candidate is encouraged to observe other classes during the last 2 weeks. The cooperating teacher must approve.

At the end of the semester, the teacher candidate, cooperating teacher and university supervisor will meet for a summative evaluation. During this meeting the final summative evaluation will be completed.

*The cooperating teacher will submit the final feedback form to the university supervisor.*

**Internships**

Teacher candidates selected for internships serve an entire school year under the supervision of a master teacher in the local school district. They are employees of the school district and therefore must adhere to the employment policies of that district.
### Student and Apprenticeship Teaching/Internship CT and US Roles and Responsibilities

<table>

</tr>
<tr>
<td>2. Assist teacher candidate with a deeper understanding and application of research-based practices.</td>
<td>2. Assist teacher candidate with a deeper understanding (why and how) of the instrument and rubric for teacher performance expectation (i.e. Danielson).</td>
</tr>
<tr>
<td>3. Work with teacher candidate to identify strengths and areas for improvement.</td>
<td>3. Use the teacher performance rubric at least three times, to provide feedback to teacher candidate, more if necessary for teacher candidate to at least meet minimum expectations.</td>
</tr>
<tr>
<td>4. Support teacher candidate in completing requirements for student teaching.</td>
<td>4. Work with teacher candidates to identify artifacts to upload to Tk20 for program evaluation as evidence to support rubric ratings.</td>
</tr>
<tr>
<td>5. If not certified or endorsed in reading, collaborate with a university supervisor who is certified or endorsed in reading for observing and evaluating the teacher candidate’s reading assignment</td>
<td>5. If not certified or endorsed in reading, collaborate with a university supervisor who is certified or endorsed in reading for observing and evaluating the teacher candidate’s reading assignment</td>
</tr>
</tbody>
</table>
**Link theory to practice**

1. Assist teacher candidate in connecting field practice to theory learned during previous course work.
2. Use pre and post lesson meetings as an opportunity to link theory to practice (pre) and practice to theory (post).

**Develop teacher candidate’s critical reflection abilities**

1. Encourage self-reflection throughout student/apprenticeship teaching.
2. Support teacher candidate’s growth by providing feedback and encouraging analysis and critical reflection.

**Final Evaluation of Student Teaching and Internship**

The *university instructor* will make the final decision for the teacher candidate’s final grade for student teaching or internship. However, in order to pass Student Teaching/Internship, the candidate **must attain at least a developing rating for all Danielson components on his/her summative evaluation and a passing score on all dispositions.**

**Evaluation Instrument**

UWF uses the Danielson Evaluation Instrument for all field placements. The evaluation instrument employs a four-level rating scale: Effective, Developing, Needs Improvement, and Unsatisfactory. See Appendix C for the complete evaluation.

Appendix J – Cooperating Teacher Feedback Form (Field Experience - Danielson and Marzano)
Appendix K – Cooperating Teacher Feedback Form (Student and Apprenticeship Teaching)
Appendix L – Liability Insurance
Appendix A – The Educator Accomplished Practices

FEAP 1: Instructional Design and Lesson Planning. Applying concepts from human development and learning theories, the effective educator consistently:

1.a. Aligns instruction with state-adopted standards at the appropriate level of rigor;
1.b. Sequences lessons and concepts to ensure coherence and required prior knowledge;
1.c. Designs instruction for students to achieve mastery;
1.d. Selects appropriate formative assessments to monitor learning;
1.e. Uses diagnostic student data to plan lessons; and
1.f. Develops learning experiences that require students to demonstrate a variety of applicable skills and competencies.

FEAP 2: Learning Environment. To maintain a student-centered learning environment that is safe, organized, equitable, flexible, inclusive and collaborative, the effective educator consistently:

2.a. Organizes, allocates, and manages the resources of time, space, and attention;
2.b. Manages individual and class behaviors through a well-planned management system;
2.c. Conveys high expectations to all students;
2.d. Respects students’ cultural, linguistic and family background;
2.e. Models clear, acceptable oral and written communication skills;
2.f. Maintains a climate of openness, inquiry, fairness and support;
2.g. Integrates current information and communication technologies;
2.h. Adapts the learning environment to accommodate the differing needs and diversity of students; and
2.i. Utilizes current and emerging assistive technologies that enable students to participate in high-quality communication

FEAP 3: Instructional Delivery and Facilitation. The effective educator consistently utilizes a deep and comprehensive knowledge of the subject taught to:

3.a. Deliver engaging and challenging lessons;
3.b. Deepen and enrich students’ understanding through content area literacy strategies, verbalization of thought, and application of the subject matter;
3.c. Identify gaps in students’ subject matter knowledge;
3.d. Modify instruction to respond to preconceptions or misconceptions;
3.e. Relate and integrate the subject matter with other disciplines and life experiences;
3.f. Employ higher-order questioning techniques;
3.i. Support, encourage, and provide immediate and specific feedback to students to promote student achievement; and
3.j. Utilize student feedback to monitor instructional needs and to adjust instruction.

**FEAP 4: Assessment.** The effective educator consistently:

4.a. Analyzes and applies data from multiple assessments and measures to diagnose students’ learning needs, informs instruction based on those needs, and drives the learning process;
4.b. Designs and aligns formative and summative assessments that match learning objectives and lead to mastery;
4.c. Uses a variety of assessment tools to monitor student progress, achievement and learning gains;
4.d. Modifies assessments and testing conditions to accommodate learning styles and varying levels of knowledge;
4.e. Shares the importance and outcomes of student assessment data with the student and the student’s parent/caregiver(s); and;
4.f. Applies technology to organize and integrate assessment information.

**FEAP 5: Continuous Professional Improvement.** The effective educator consistently:

5.a. Designs purposeful professional goals to strengthen the effectiveness of instruction based on students’ needs;
5.b. Examines and uses data-informed research to improve instruction and student achievement;
5.c. Collaborates with the home, school and larger communities to foster communication and to support student learning and continuous improvement;
5.d. Engages in targeted professional growth opportunities and reflective practices, both independently and in collaboration with colleagues
5.e. Implements knowledge and skills learned in professional development in the teaching and learning process.

**FEAP 6: Professional Responsibility and Ethical Conduct.** Understanding that educators are held to a high moral standard in a community, the effective educator adheres to the Code of Ethics and the Principles of Professional Conduct of the Education Profession of Florida, pursuant to State Board of Education Rules 6B-1.001 and 6B1.006, F.A.C, and fulfills the expected obligations to students, the public and the education profession.

6.a. Apply the Code of Ethics and Principles of Professional Conduct to professional and personal situations.
6.b Identify statutory grounds and procedures for disciplinary action, the penalties that can be imposed by the Educational Practices Commission against a certificate holder, and the appeals process available to the individual.

6.c Apply knowledge of rights, legal responsibilities, and procedures for reporting incidences of abuse, neglect, or other signs of distress.

6.d Determine and apply the appropriate use and maintenance of students’ information and records.

6.e Identify and apply policies and procedures for the safe, appropriate, and ethical use of technologies.

UWF Teach Program

The link to the catalog pages for each program are below. The catalog includes all course requirements and the prerequisites and corequisites for each class.

- Mathematics Teaching, BA
- Biology Teaching, BA
- Chemistry Teaching, B.A.
- Environmental Science Teaching, B.A.
- Physics Teaching, B.A.
Appendix C – FTCE K-6 Exam Study Guidelines

If you plan to student teach in the fall, you must pass all of your FTCE exams by May 1. In the year prior to completing your student teaching, follow the study schedule below to prepare for the K-6 exam.

*Important note: You must study the content! Simply taking practice tests will not be enough to prepare you. Study the content first and then take a practice test.*

**UWF FTCE Prep Guide:** [http://libguides.uwf.edu/ftce](http://libguides.uwf.edu/ftce)

**August**
- Study and learn about K-6 mathematics
  - Student thinking and instructional practices
  - Operations, algebraic thinking, counting and number in base ten
  - Fractions, ratios, and integers
  - Measurement, data analysis, and statistics
  - Geometric concepts

**October**
- Study and learn about K-6 science
  - Effective science instruction
  - The nature of science
  - Physical sciences
  - Earth and space
  - Life science

**November**
- Study and learn about K-6 social science
  - Effective instructional practice and assessment of the social sciences
  - Time, continuity, and change (i.e., history)
  - People, places, and environment (i.e., geography)
  - Government and the citizen (i.e., government and civics)
  - Production, distribution, and consumption (i.e., economics)

**December**
- Study and learn about K-6 language arts and reading
  - The reading process
  - Literary analysis and genres
  - Language and the writing process
  - Literacy instruction and assessments
  - Communication and media literacy

**January-February**
- Take FTCE K-6 Exam

**March-April**
- Didn’t pass a sub-test? Study more! Use different resources! Contact your methods instructor for help!
- Retake the sub-test.
Appendix D – Initial Certification – Dispositions

UWF Dispositions: Behavioral Indicators/Danielson Components

University supervisors will evaluate the dispositions of teacher candidates during classroom observations, pre/post-observation conferences, and other interactions (e.g., personal communications with teacher candidate or cooperating teacher) using the following InTasc Dispositions.

<table>
<thead>
<tr>
<th>InTa sc</th>
<th>Short Disposition</th>
<th>InTasc disposition description</th>
<th>Meets Expectations</th>
<th>Partially meets expectations</th>
<th>Does Not Meet Expectations</th>
</tr>

Evaluator Signature: __________________________ Date: __________________

Candidate Signature: __________________________ Date: __________________
## Charlotte Danielson’s FRAMEWORK FOR TEACHING

### DOMAIN 1: Planning and Preparation

1a **Demonstrating Knowledge of Content and Pedagogy**
   - Content knowledge
   - Prerequisite relationships
   - Content pedagogy

1b **Demonstrating Knowledge of Students**
   - Child development
   - Learning process
   - Special needs
   - Student skills, knowledge, and proficiency
   - Interests and cultural heritage

1c **Setting Instructional Outcomes**
   - Value, sequence, and alignment
   - Clarity
   - Balance
   - Suitability for diverse learners

1d **Demonstrating Knowledge of Resources**
   - For classroom
   - To extend content knowledge
   - For students

1e **Designing Coherent Instruction**
   - Learning activities
   - Instructional materials and resources
   - Instructional groups
   - Lesson and unit structure

1f **Designing Student Assessments**
   - Congruence with outcomes
   - Criteria and standards
   - Formative assessments
   - Use for planning

### DOMAIN 2: The Classroom Environment

2a **Creating an Environment of Respect and Rapport**
   - Teacher interaction with students
   - Student interaction with students

2b **Establishing a Culture for Learning**
   - Importance of content
   - Expectations for learning and achievement
   - Student pride in work

2c **Managing Classroom Procedures**
   - Instructional groups
   - Transitions
   - Materials and supplies
   - Non-instructional duties
   - Supervision of volunteers and paraprofessionals

2d **Managing Student Behavior**
   - Expectations
   - Monitoring behavior
   - Response to misbehavior

2e **Organizing Physical Space**
   - Safety and accessibility
   - Arrangement of furniture and resources

### DOMAIN 3: Instruction

3a **Communicating With Students**
   - Expectations for learning
   - Directions and procedures
   - Explanations of content
   - Use of oral and written language

3b **Using Questioning and Discussion Techniques**
   - Quality of questions
   - Discussion techniques
   - Student participation

3c **Engaging Students in Learning**
   - Activities and assignments
   - Student groups
   - Instructional materials and resources
   - Structure and pacing

3d **Using Assessment in Instruction**
   - Assessment criteria
   - Monitoring of student learning
   - Feedback to students
   - Student self-assessment and monitoring

3e **Demonstrating Flexibility and Responsiveness**
   - Lesson adjustment
   - Response to students
   - Persistence

### DOMAIN 4: Professional Responsibilities

4a **Reflecting on Teaching**
   - Accuracy
   - Use in future teaching

4b **Maintaining Accurate Records**
   - Student completion of assignments
   - Student progress in learning
   - Non-instructional records

4c **Communicating with Families**
   - About instructional program
   - About individual students
   - Engagement of families in instructional program

4d **Participating in a Professional Community**
   - Relationships with colleagues
   - Participation in school projects
   - Involvement in culture of professional inquiry
   - Service to school

4e **Growing and Developing Professionally**
   - Enhancement of content knowledge and pedagogical skill
   - Receptivity to feedback from colleagues
   - Service to the profession

4f **Showing Professionalism**
   - Integrity/ethical conduct
   - Service to students
   - Advocacy
   - Decision-making
   - Compliance with school/district regulations

<td></td>
<td></td>
</tr>
<tr>
<td>a. How does this lesson relate to the curriculum and standards?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>b. How does the lesson relate to the students’ progress and prior knowledge?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>c. How does the learning relate to students’ real lives?</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
**UDL**
Include the following in the chart:
- a. Possible Learning Barrier(s) (all learners vary in prior knowledge, experiences, interests and skills)
- b. Strategies
- c. UDL Principles
- d. Guidelines and Checkpoints

<table>
<thead>
<tr>
<th>Possible Learning Barriers</th>
<th>Strategies</th>
<th>UDL Principle</th>
<th>Guideline and Checkpoint</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

a. Describe how the lesson meets the above (there may be more than one)

b. How is UDL throughout the plan?

**Differentiation Strategies**

- a. Based on IEP(s), describe the differentiation strategies that will meet the needs of students with special needs.

- b. Based on data, describe the differentiation strategies for specific groups of students (e.g. high, middle, low)

**Detailed Instructional Plan** (sequential order)

1. State the SLO(s)

2. Outline your instructional plan. Describe in detail what the teacher and students will do during each stage of the lesson.
| What will you do first, second, third...  
| Write out everything (script the lesson) |

| How will you facilitate learning that engages students cognitively throughout the lesson?  
| Include where appropriate: |

| a. Strategies to help students interact with new knowledge (e.g., identifying critical content) |

| b. Strategies to help students practice and deepen knowledge (e.g., reviewing content, examining similarities and difference, practicing skills) |

| c. Questioning sequences including questions that require higher order thinking skills using Bloom’s Taxonomy (e.g., creating, evaluating, analyzing) or Webb’s Depth of Knowledge |

| d. Student response and discussion groups (e.g. individual, paired or group) |

| e. Collaborative/cooperative learning groups |
**Assessment for and of learning**

a. How will you formatively assess during instruction? (checks for understanding-Thumbs Up/Thumbs Down; Red/Yellow/Green cards) What are your “look fors?”

What assessments will you use to “inform” further instruction?

b. How will you provide mastery-oriented feedback (written and oral) to students?

b. How will you provide mastery-oriented feedback (written and oral) to students?

c. What summative assessment will be used? (if applicable)

Other assessment questions to think about (see questions at the bottom)?

<table>
<thead>
<tr>
<th>Materials/Resources/Technology</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. What materials and resources will be used?</td>
</tr>
<tr>
<td>b. What technology will be used?</td>
</tr>
</tbody>
</table>
Questions for determining assessments
1. How will you use formative curriculum-based materials to assess students to begin instruction? (individually, small or large group)
2. What is the purpose of your assessment? (improve accuracy, speed, or ability to apply concepts)
3. How will the assessment data be used? (establishing and monitoring an instructional program, establishing short- and long-term goals or establishing which intervention or teaching method works best)
4. How will you reassess within the instructional program to determine progress? (how often or how will you use assessment results to alter instruction)
5. How will you assess other factors that may affect the child’s performance? (learning environment or behavior of the child and others)
6. How will you continuously assess students who are experiencing problems? (in individual, small or large group instruction)
7. How will you display the data, share with the student or use in motivating the student?
8. How will you use data to establish short- and long-term goals?
Appendix G – Candidate Reflection Guide

These questions will be answered at the end of all clinical experiences and uploaded to TK20. Individual instructors may add additional questions.

A. Reflecting on an individual lesson:
1. Compare your expectations for your lesson with how it actually went. Identify the strengths and areas for improvement in the lesson. What caused the strengths and weaknesses of the lesson?

2. To what extent were the instructional goals met? What did the students learn? What is the evidence that they learned what you intended? Did all the students reach mastery of the content? If not, what would you do next to ensure they did? Did you make any modifications to your plan during the lesson?

3. How did you use technology in your lesson? How could you use various forms of technology to enhance your lesson?

4. Describe changes you would make if you were to teach this lesson again to the same group of students?

5. Identify a goal for improvement. What can the observer do to help you achieve the goal?

B. Reflecting on the semester-long experience:
1. Describe ways you and/or your cooperating teacher used student data to inform your instruction and provide feedback throughout the semester.

2. How did you and/or your cooperating teacher address the needs of your diverse population of students? How did you apply UDL principles and differentiation?

3. What did you learn about including families in educational decisions? What are some ways that you observed teachers gathering and giving families information related to their students? Give examples.

4. What did you do to enhance your professional knowledge and practice? Describe what you have done and/or plan to do.

5. How did you and/or your cooperating teacher strive to collaborate with other teachers and school personnel? What are some opportunities you saw to provide services to the school or district?

6. How have you applied and/or plan to apply Florida Code of Ethics for educators?
Appendix H – Post Observation Conference Guide

- Candidate’s areas of strength (self-assessment): What do you think your areas of strength are?

- Candidate’s areas for growth (self-assessment): What do you think your areas for growth are? Why?

Follow up questions based upon the evidence gathered:

- Did P-12 students meet objectives set in pre-observation meeting? What is the evidence?

- How did you do on observation target area(s): (include clusters and feedback)

- How did you do on core teaching methods:
  - Management
  - Assessment
  - Differentiation
  - Questioning and feedback
Appendix I – Teacher Candidate Professional Development Planning Guide

Your goals will relate to the areas for improvement identified through self-reflection and conferences with your cooperating teacher and university supervisor.

We have identified my strengths to be:

1. 
2. 

We have identified two goals for improvement and made a plan for how I plan to achieve these goals.

1. **Goal 1: Teaching Skill Goal**
   a. Rationale statement: Identify at least one specific teaching skill you need to focus on for improvement. Explain why you chose this skill.
   b. Measurable objective related to specific components/elements from Danielson Evaluation rubric: Identify which Danielson elements this skill refers to and a measurable objective this is related. “I want to get better at classroom management,” is not measurable. “I will increase my movement around the classroom to a minimum of 50% of class time,” is measurable.
   c. Identify a minimum of one education research-based resource that you will use to help improve in this area. Resources must be published within the last 5 years.

2. **Goal 2: Professional Disposition Goal**
   a. Rationale statement
      i. What is your goal for improvement in one area of dispositions?
      ii. Why did you choose this goal?
   b. Improvement Plan: How do you plan to improve on this disposition? What resources will help you? How will you know when you have improved?

You will upload this as an artifact in Tk20 at the end of this course.
Candidate Development Plan Template

Each candidate will complete this form and submit it to Tk20 by the end of every clinical course.

Your goals will relate to the areas for improvement identified through self-reflection and conferences with your cooperating teacher and university supervisor.

We have identified my strengths to be:

<p>| | |</p>

Appendix J – Cooperating Teacher Feedback Form - Field Experiences – (Danielson)

Complete form after week 5 of the placement and at the end of the semester.

Candidate’s Name _______________________ Subject _______________ Dates ____________
Cooperating Teacher _______________________ School _______________ Grade ______________

Using the scale provided, please rate the student in the critical elements of the Danielson Framework for Effective Teaching listed below:

Key: 3- Effective  2- Developing  1- Needs Improvement  0- Unsatisfactory

Danielson 1a: Candidate displays knowledge of content & appropriate standards  3 2 1 0
Danielson 1b: Candidate displays an eagerness to learn about students  3 2 1 0
Danielson 1c: Candidate is able to set goals and objectives  3 2 1 0
Danielson 1f: Candidate is able to use formative assessment  3 2 1 0
Danielson 2a: Candidate is respectful, positive and encouraging with all students  3 2 1 0
Danielson 3b: Candidate is able to utilize effective questioning strategies  3 2 1 0
Danielson 4a: Candidate accurately reflects on their teaching  3 2 1 0
Danielson 4e: Candidate welcomes feedback and applies it appropriately  3 2 1 0
Danielson 4f: Candidate displays professionalism at all times  3 2 1 0

Strengths:

Areas of improvement:

1st Feedback at midterm: (circle one):

The student is prepared to teach a lesson in my classroom: Yes  No

2nd Feedback at end of the semester: (circle one):

The candidate is prepared to advance to their next clinical experience. Yes  No

Cooperating teacher’s signature (5 weeks): 1st ____________________________

2nd ____________________________

Teacher candidate’s signature (end of semester): 1st ____________________________

2nd ____________________________

Cooperating Teacher Feedback Form - Field Experiences – (Marzano)

Complete form after week 5 of the placement and at the end of the semester.

Candidate’s Name _________________________  Subject _______________  Dates _______________
Cooperating Teacher _______________________  School _______________  Grade ______________

Using the scale provided, please rate the student in the critical elements of the Marzano Art and Science of Teaching Teacher Evaluation Model:

<table>
<thead>
<tr>
<th>Marzano 2.44: Candidate displays knowledge of content and appropriate standards</th>
<th>3</th>
<th>2</th>
<th>1</th>
<th>0</th>
</tr>
</thead>
<tbody>
<tr>
<td>Marzano DQ8: Candidate displays an eagerness to learn about students</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano DQ1: Candidate is able to set goals and objectives</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano DQ3: Candidate is able to use formative assessment</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano DQ9: Candidate is respectful, positive and encouraging with all students</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano DQ4: Candidate is able to utilize effective questioning strategies</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano Domain 3: Candidate accurately reflects on their teaching</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano Domain 4: Candidate welcomes feedback and applies it appropriately</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
<tr>
<td>Marzano Domain 4: Candidate displays professionalism at all times</td>
<td>3</td>
<td>2</td>
<td>1</td>
<td>0</td>
</tr>
</tbody>
</table>

Strengths:

Areas of improvement:

1st Feedback at midterm: (circle one):

The student is prepared to teach a lesson in my classroom:  Yes   No

2nd Feedback at end of the semester: (circle one):

The candidate is prepared to advance to their next clinical experience. Yes   No

Cooperating teacher’s signature (5 weeks): 1st __________________________

2nd __________________________

Teacher candidate’s signature (end of semester): 1st __________________________

2nd __________________________
Appendix K – Cooperating Teacher Feedback Form - Student Teaching/Internship

Complete form at mid-term and at the end of the semester to rate the student.

Candidate’s Name _________________________ Subject _______________ Dates ____________
Cooperating Teacher ______________________ School _______________ Grade ______________

Using the scale provided, please rate the student in the areas below on the lesson observed:

3- Effective  2- Developing  1- Needs Improvement  0- Unsatisfactory

Ability to effectively plan lessons to correspond with state standards  3  2  1  0
Ability to explicitly teach subject matter                            3  2  1  0
Ability to assess student learning                               3  2  1  0
Ability to manage students                                       3  2  1  0
Ability to engage students in meaningful instructional activities 3  2  1  0
Ability to communicate effectively                               3  2  1  0
Ability to carry out professional responsibilities               3  2  1  0

Lesson strengths:

Areas of improvement:

1st Feedback at midterm (circle one):

The student is prepared to enter full time teaching in my classroom:  Yes  No

2nd Feedback at end of the semester: (circle one):

The candidate is prepared to enter their first full time teaching position. Yes  No

Cooperating teacher’s signature (midterm): 1st ____________________________

2nd ____________________________________________

Teacher candidate’s signature (end of term): 1st ____________________________

2nd ____________________________________________
Appendix L – Liability Insurance

The Department of Teacher Education and Educational Leadership does not specifically endorse or recommend any particular insurance carrier or insurance policy. However, some school districts require students to show proof of insurance. The following information is provided for your convenience as options you may wish to consider:

- If you are a member of a professional association (e.g., MENC, NCTE, NCTM, NCSS), and professional liability insurance is not provided with the membership, you may wish to consider Forrest T. Jones [http://www.ftj.com/educatorliability](http://www.ftj.com/educatorliability). The insurance policy is $25.00 per year. Email confirmation is provided.

- If you are a sorority/fraternity member, determine if professional liability insurance is included with your membership.

- Professional Educators Network of Florida: $20.00 a year for $2,000,000 professional liability coverage: [http://www.penfl.org/join-now](http://www.penfl.org/join-now)

- Association of American Educators: $20.00 a year for $2,000,000 of professional liability protection. [http://www.aaeteachers.org/index.php/join-renew](http://www.aaeteachers.org/index.php/join-renew)

- Student Florida Education Association (SFEA). The SFEA’s annual membership fee of $31.00/year includes $3,000,000 of professional liability protection, which is applicable to classroom situations. SFEA membership enrollment information is available at:
  - Florida: [https://feaweb.org/](https://feaweb.org/) (Click on “Who We Are” and scroll down to “Education Students”.)

- Council for Exceptional Students: Student members preparing for employment and performing educational duties under the supervision of a licensed educator can purchase an individual $1 million policy for an annual premium of only $25. The policy is the same as that offered to professional members, but does not include job protection benefits. Apply online or call 800/821-7303.
