In addition to the degree requirements outlined above, students seeking the BS Computer Science/Computer Information Systems degree must also take 12 semester hours of 3000/4000 level electives within the Department of Computer Science. These electives may be chosen from the concentrations listed here or any other advisor-approved Computer Science elective.

Values in parenthesis indicate course hours.

(FSS – Fall, Spring, Summer / FS – Fall, Spring / F – Fall only / S – Spring only)*

*Final course offerings for any given semester may vary due to departmental resources.
