0:21

it's just coming out here with

0:22

confidence not being intimidated you

0:24

know just

0:26

coming out and having a good time doing

0:27

things we love flying and building

0:29

airplanes

do

1:23

[Music]

1:29

done a lot of logistical planning

1:30

figuring out how to get our planes out

1:32

here quickly safely and efficiently you

1:35

never really know

1:37

what you're in for our plane has flown

1:39

15 times successfully and without

1:42

crashing and we've had two crashes in

1:44

one day yesterday

[Music]

2:01

do

2:24

even if things don't go as planned

2:26

you know regroup get together and

2:29

figure out a way to proceed into the

2:32

future

2:33

quickly and effectively there's always

2:35

someone to talk to there's always things

2:36

you can learn there's always people that

2:38

are you know giving good advice people

2:39

that are you know helping you learn

2:41

because really truly this is my motto

2:43

for being out here we're here to learn

2:45

be safe and have fun

2:56

so
