Submission of non-bid General Revenue (110000) and Carry Forward (110001) purchase requisitions with appropriate funding by Friday, April 29, 2022, will allow Procurement to encumber these requisitions in the current fiscal year budget. All proper backup documentation must accompany requisition(s). Exception: If the General Counsel’s Office needs to review any contract or agreement related to a purchase request (requisition or PCard), please submit contract/agreement to https://jira.uwf.edu/secure/Dashboard.jspa NLT Friday, April 29, 2022 to allow for the entire contract routing process to take place and authorized signatures to be obtained.

The recommended submission dates of bid General Revenue (110000) and Carry Forward (110001) purchase requisitions with appropriate funding to ensure encumbrance in the current fiscal year are as follows:*
Year-End Deadlines 2021-22
Page 2

- Requisitions of $75,000 or more requiring a formal proposal (RFP or an ITN) (solicitation process can take a minimum of 60-120 days) - **Friday, February 18, 2022**
- Requisitions of $75,000 or more requiring a formal bid (ITB) (solicitation process can take a minimum of 60-90 days) - **Friday, February 25, 2022**
- Sole Sources of $75,000 or more require 72 hours of posting before a contract, Purchase Order, or PCard expenditure can take place – **Friday, April 29, 2022**

*These dates have been established based on historical experience and contain enough cushion to allow for the resolution of unanticipated problems, which may arise in these processes. These dates should serve as guidelines only. Bid requisitions received beyond these dates may result in encumbrance before the end of the current fiscal year, particularly if:

- funding is already established for the goods and/or services
