UNIVERSITY OF WEST FLORIDA

The **ArgoCard** is the official University of West Florida Identification Card. This card also serves as a library card, a copy card, an access card, a debit card and a meal plan card. **Proof of identification is required when obtaining an ArgoCard. Driver's License, State/Government issued picture ID, or Passports are accepted forms of identification.**

The information contained in the card system, including your **ArgoCard** photo, can be used by the University of West Florida for internal University business purposes as deemed appropriate and approved by the Vice President of Student Affairs for students and approved by the University General Counsel for employees.

To make use of the debit card feature of your **ArgoCard**, you may deposit money into account:

General Account: Money deposited into this account may be used to make purchases at any location on campus which is connected to the **ArgoCard** system, including Dining Services locations.

Once funds have been deposited into your account, they may only be withdrawn by way of purchases. You may not withdraw cash.

If you have money in your **ArgoCard** General account at the end of the academic term, it will be carried over into the upcoming academic term's balance. **You may request a refund of any balance remaining in your account when you graduate or withdraw from the University.**

If you fail to request a refund of any balance remaining in your account for a period of six (6) months after you graduate or withdraw from the University, the balance may be deemed abandoned property, in which case the balance will be remitted to the State of Florida, or you may choose to contribute any balance in your account to the UWF General Scholarship Fund.
