UNIVERSITY OF WEST FLORIDA

The ArgoCard is the official University of West Florida Identification Card. This card also serves as a library card, a copy card, an access card, a debit card and a meal plan card. **Proof of identification is required when obtaining a ArgoCard. Driver's License, State/Government issued picture I.D., or Passports are accepted forms of identification.**

The information contained in the card system, including your ArgoCard photo, can be used by the University of West Florida for internal University business purposes as deemed appropriate and approved by the Vice President of Student Affairs for students and approved by the University General Counsel for employees.

To make use of the debit card feature of your ArgoCard, you may deposit money into two different accounts:

ArgoBucks: Money deposited into this account may be used to make purchases at any location on campus which is connected to the ArgoCard system, including Dining Services locations.

Once funds have been deposited into your account, they may only be withdrawn by way of purchases. You may not withdraw cash prior to your graduation or withdrawal from the University.

If you have money in your ArgoCard account(s) at the end of the academic term, it will be carried over into the upcoming academic term's balance. **You may request a refund of any balance remaining in your account when you graduate or withdraw from the University.**

If you fail to request a refund of any balance remaining in your account for a period of six (6) months after you graduate or withdraw from the University, the balance may be deemed abandoned property, in which case the balance will be remitted to the State of Florida, or you may choose to contribute any balance in your account to the UWF General Scholarship Fund.

Please indicate how you desire to have treated any balance remaining in your account more than six (6) months after you graduate or withdraw from the University by checking the appropriate box below:

Abandoned Property

There is a \$10 annual I.D. fee. The fee is charged the first semester on campus and recurs annually thereafter each fall semester. The fee covers the cost of ongoing services provided by ID Card Services.

If your card is lost or stolen, please contact ID Card Services (850.474.3324) immediately. After business hours, you may call the University Police (850.474.2415). Card invalidation will be immediate. The University of West Florida is not responsible for cash balances of lost cards. **The charge for a replacement card is \$15.**

I have read and agree to the above conditions.
