

Facilities Management Strategic Plan 2025 - 2027

Mission Statement

Plan, design, construct, maintain and operate a sustainable physical environment that enables the University to grow and achieve its mission.

Vision Statement

To foster a strategic, respectful, and growth-oriented culture of uncompromising excellence through strong campus partnerships, innovation, and exceptional service.

Core Values

Safety

We are committed to a safety-first mindset and equip our team with knowledge and tools to maintain a safe and welcoming campus environment.

Customer Focus

We are dedicated to understanding and exceeding the needs of our customers by delivering reliable, responsive, and high-quality service that enhances their experience and supports the University's mission.

Respect

We foster a culture of respect through our commitment to exceptional service, fostering strong relationships and a sense of belonging throughout the University community.

Collaboration

We are committed to a collaborative approach to facilities management, utilizing our resources efficiently to address maintenance needs with a proactive approach.

Integrity

We maintain transparency in all decisions and processes. We operate with fairness, respect and integrity in all matters: doing the right thing for the right reason.

Innovation

UWF expands learning as well as knowledge through creating and embracing opportunities for transformational change.
