Use your Nautilus Card as a declining balance account

The Nautilus Card can be used as a declining balance card. Swiping your card is a safe and convenient way to make purchases on campus. A deposit of $200-$300 is the suggested amount to allow for the purchase of miscellaneous goods and services for a semester. Unused money in the declining balance account rolls over to the next semester. Consider making a small deposit to determine if you find purchasing with a Nautilus Card convenient.

There are 3 ways to make deposits to your declining balance account.

1. **Deposits may be made online via MyUWF.** Search for the “Meal Plan Purchases & Nautilus Card Deposits” app. Log in and select “ADD CASH” from the menu. MasterCard, Visa or Discover cards are accepted. Deposits made online via debit/credit card are subject to a 2.5% convenience fee. E-checks are also accepted and subject to a $1.49 transaction fee.

2. **Deposits may be made in person using cash** at one of the convenient Automatic Deposit Machines (ADMs) located around campus. ADMs are located in Bldgs. 22, 32 (2), 72 and 86. ADMs accept ones, fives, tens and twenties. Funds deposited at an ADM are added to the Nautilus Card account and are available immediately. There is no transaction fee to use an ADM.

3. **Deposits may be made in person using cash or check** at the Commons Service Desk in Building 22. No transaction fee.

It's easy to keep track of your Nautilus Card account balances

Each time you make a purchase using your Nautilus Card, your account balance is displayed at the point of purchase. Your account information is also available online anytime you want to check it via MyUWF. Search for the “Nautilus Card Balance & Swipe History” app to view your declining account balance, meal plan account balance and card swipe history.

Declining balance account refunds

If you have money in your Nautilus Card declining balance account at the end of the semester, it will be carried over into the next semester’s balance. You may not withdraw cash from a Nautilus Card account.

**Refunds Upon Separation:** To receive funds left on a Nautilus Card declining balance account, the cardholder should request, in writing, a refund of any remaining balance within six (6) months after separation from the University. Any unclaimed balance remaining on the account after this period will be forfeited.

How to obtain a Nautilus Card

Freshmen attending orientation will receive their Nautilus Card as part of that process. Other new students registered for classes on the UWF Pensacola campus are required to get a Nautilus Card in order to have full access to student services.

The annual Nautilus Card program fee of $10 may be paid via cash or check in the Cashier’s Office, Building 20E. Bring your receipt and an official government issued photo ID to the Nautilus Card Office, Building 20W, to have your card made.
Caring for your Nautilus Card

Do not punch a hole or bend your card. Keep your card in a safe, clean, dry, secure place, preferably in a card protection sleeve or cardholder. Keep it away from magnetic objects that can demagnetize the stripe on your card. The cost for a Nautilus Card replacement is $15.

If your card is lost or stolen, contact the Nautilus Card office immediately at 850.474.3324. We will place a hold on your card until it is found or replaced. Office hours are Monday through Friday, 8am-5pm. After regular business hours, please contact the University Police Department at 850.474.2415. UWF is not responsible for cash balances of lost cards. Do not lend your card to anyone. Only you may use your Nautilus Card.

Nautilus Card policies

Official identification is required when obtaining a Nautilus Card, whether it is a new card or a replacement card. A driver’s license, state or government issued photo I.D. or passport are acceptable forms of identification.

The information contained in the Nautilus Card system, including your photo, can be used by the University of West Florida for internal University business purposes as deemed appropriate and approved by the Vice President of Enrollment and Student Affairs.

An annual Nautilus Card program fee of $10 will be assessed for each student registering for on-campus classes the first semester they register. The fee will recur annually thereafter each fall semester. The fee covers the cost of ongoing services provided by the Nautilus Card program. It does not include a new card each semester or year.

FLEXIBILITY
UWF Meal Plans are convenient, flexible, and loaded with options. Meal plans let you eat anywhere on campus at any time of the day saving time and energy to focus on the other many moving parts of the UWF college experience. Depending on which plan you choose, meal plans come with three components, Meal Swipes, Guest Swipes and Dining Dollars.
Meal Swipes are reserved for Nautilus Market, our all-you-care-to-eat residential restaurant, and are redeemed using your Nautilus Card. Each time you use a meal swipe, it is subtracted from your weekly or semester balance.
Guest Swipes are for meal plan participants with an Argo 19, 15, or 12 meal plan. Students with these plans receive 2 free meal swipes each semester that can be used to pay for guest meals. Meal plan participants must accompany guests during the meal period.
Dining Dollars work like cash, but there’s no need to carry cash around! The Dining Dollars loaded on your Nautilus Card with your meal plan may be used at any of the Dining Services locations on campus. If you use all of your Dining Dollars before the end of the semester, you may add funds to your Nautilus Card declining balance account which can be used anywhere on campus. Declining balance account funds roll over from semester to semester. Funds can be added via MyUWF (convenience fee applies), one of the Automatic Deposit Machines (ADM) located around campus or at the Commons Service Desk in Building 22 (no convenience fee).
Meal Swipes and Guest Swipes expire at the end of each semester. Dining Dollars roll over from fall to spring to summer semester and expire at the end of the summer term.

WHO NEEDS A MEAL PLAN? YOU!
Eating made easy for EVERYONE

Mandatory meal plans
All First-Time-In-College (FTIC) students living in University housing are required to participate in the mandatory meal plan their first two semesters on campus (summer residence not included). FTIC students select either the Argo Unlimited, 19, 15, or 12 meals per week plan during housing sign-up. One meal swipe is allowed per meal period (does not apply to Unlimited plan). There are three meal periods on weekdays and two meal periods on Saturday and Sunday. The weekly meal total resets each Sunday and unused meals do not roll over to the next week.
The mandatory meal plan can apply to some transfer students.
A student’s status as FTIC is not the same as a classification indicating academic progress. Students who have earned fewer than 12 semester hours of transferable college credit since graduating from high school should contact the Undergraduate Admissions Office at 850.474.2230 to verify if they are FTIC students.

Voluntary meal plans
Investing in a UWF Meal Plan has significant benefits for every UWF student. If you would like to purchase a meal or block plan, you may purchase online via MyUWF and use the “Meal Plan Purchases & Nautilus Card Deposits” app. Deposit funds to your Nautilus Card declining balance account first, then use those funds to purchase the meal plan of your choice.
You may use excess Financial Aid funds to purchase a voluntary meal plan.
First, you will need to verify the amount of excess Financial Aid you have available. You may check your remaining Financial Aid after tuition, housing and fees are paid using...
the “CashNet - Pay Your Bills” app in MyUWF. Then access the “Nautilus Card Services” app and select “Voluntary Meal Plan.” The form that appears will list the meal plan options that you have sufficient funds to cover. You can then select which plan you prefer and proceed with the purchase.

The UWF Bookstore is your official source for course materials and Argonaut emblematic gear. It offers competitively priced computers, including Apple, and academically priced software available to students, faculty, staff and alumni.

The primary purpose of the Bookstore is to ensure that students have access to the required and/or recommended course materials as specified by their UWF professors. The staff strives to have all course materials available for purchase two weeks prior to the beginning of each semester.

Course materials

Course materials come in many forms these days; books, software packages, digital subscriptions, as well as art and lab supplies. Most course materials are available new or used and have the option to buy, or rent them for the semester. The one thing your course materials have in common is that your professors selected them with your academic success in mind.

Rent books, new or used

To “rent” a book, you pay a reduced price in exchange for agreeing to return the material at the end of the semester. Just look for the “RENT this BOOK” sign beside your assigned course materials to determine if they are available for rent. The first time you rent either in the store or online, you will be required to complete a rental agreement form.

Shop By Author

Textbooks are shelved in alphabetical order by author. No bouncing around from shelf to shelf looking for your courses. Create and print your customized book list by entering your student id number at the kiosk located in the text section of the store or by using your smartphone and entering www.txbk.info/uwf.
**UWF Bookstore programs**

**BOOKSTORE TEXTBOOK DEFERMENT PROGRAM**

The majority of UWF students receive some form of financial aid. For each student receiving aid, the Student Accounts Office calculates an estimate of all debt (tuition & fees, housing, meal plan, etc.) owed to the University. This debt is paid first then any “excess” financial aid over and above debt to UWF is sent as a refund to the student’s BankMobile account. This disbursement usually occurs by the end of the second week of classes.

For students who have excess financial aid available, the Textbook Deferment Program allows you to seamlessly purchase your course materials at the UWF Bookstore before the refund is disbursed. You can have your books in-hand for the first day of class. The Bookstore Deferment Program may be used to purchase course materials in-store or online up to the last day of the Drop/Add period each semester.

The maximum Bookstore deferment amount is $800.

To check the estimated amount of the deferment funds you have available, log in to MyUWF and search for the “CashNet – Pay Your Bills” app. Or, look for an email notice from Student Accounts that will be sent to your UWF email address. You must be enrolled for the minimum number of hours required to receive your financial aid award. If your financial aid status changes, you will be responsible for purchases made under this program.

**PURCHASE ONLINE WHEN YOU REGISTER**

UWF’s online registration system connects directly to the UWF Bookstore, allowing students to buy/rent course materials online immediately after registering for classes. Once you finalize your schedule online, click on the “Purchase Textbooks” button. The system transfers you to the Bookstore and provides a pre-populated list of required and recommended course materials based on your class schedule. You decide which books to purchase or rent. Orders will be filled and ready for pick up at the Bookstore or can be shipped to you.

**PRICE MATCH**

The UWF Bookstore will match against Amazon, Barnes & Noble, or a local competitor; in-store only. Price adjustments will be made at time of purchase or within 7 days of original purchase with an original receipt. The lower-priced item must match the exact ISBN and edition purchased or rented, including accompanying CDs, online access codes, student manuals, etc. Purchase and price adjustment differences will be provided on a store gift card. Learn more at uwfshop.com. Look for Price Match Guarantee under “Books” at the bottom of the webpage.

**DIGITAL TEXTBOOKS via BRYTEWAVE**

BryteWave™ is a digital textbook platform that provides tools to use digital textbooks in ways that you have never been able to before. You can easily search an entire text for specific information in a matter of seconds, take notes directly in the text, bookmark important pages, and highlight information for easy recall.

BryteWave™ offers a three-day Try Before You Buy option (if the publisher allows it). Visit https://shelf.brytewave.com/#/user/signin. You will be required to create a BryteWave Reader account to activate the trial but will not be required to provide your credit card number.

**FREQUENTLY ASKED QUESTIONS:**

- Can I copy and paste or print digital textbook content from a purchased digital textbook? Yes. But, publishers limit the amount of content you can export or print.

- How long do I have access to a BryteWave digital textbook? With BryteWave, there are two purchase models – rental and ownership.

  **A rented digital textbook** allows you to use the book for 180 days after activation. Rental books cannot be converted to purchase but you can always rent the book again and your notes and highlights remain available.

  **A purchased digital textbook** gives you ownership of the textbook within the BryteWave reader and will not expire.

  - Is there an app for BryteWave? Yes. You can access BryteWave Mobile by downloading the BryteWave Mobile Reader app at the Apple® App Store, Google Play or at brytewave.com.

**TEXTBOOK BUYBACK**

Buyback is your opportunity to sell your course materials back to the Bookstore. Buyback typically occurs during the designated buyback period at the end of the semester. The earlier you sell your books back, the more they’ll be worth and the more likely the Bookstore will buy them. However, the Bookstore buys back books every day, year-round.

There are two ways to sell your books back to the Bookstore; in store or online. Bring the books that you no longer need to the store for fast cash back. Sell your books back online at uwfshop.com and look for “Cash for Books” under Books. Shipping is free and you receive a check in the mail.

The price the Bookstore offers is based on the book’s future value. A book is more valuable if a professor has selected it for use the next semester and if it’s in saleable condition. Demand for the book and the number of copies already in stock also determine the value. Typically, if the text is being used in the upcoming semester and the Bookstore has not reached the quantity demanded, you will receive 50% of the new textbook price back.

Parking & Transportation

All students and employees who park on the UWF Pensacola campus are required to register their vehicle(s) and purchase a UWF parking permit.

The University manages more than 40 parking lots on the Pensacola Campus. Each lot is designated with a letter name and is available to specific user groups. Your parking permit type is color-coded to indicate your user group. Check the parking map to determine which lots you are allowed to park in with your permit type. Parking regulations enforcement begins the first day of class!

Parking Regulations
To get familiar with the UWF Parking Regulations visit the Parking & Transportation Services website at uwf.edu/parking.

PARKING PERMITS
Permits for the 2018-19 school year are available for purchase after the first week of August. Purchase your permit online via MyUWF using the “Parking Transaction Portal” app. You may choose either a decal or hangtag style permit for your vehicle.

- Pace, Argo, Heritage, Presidents and Martin Halls – blue permit
- Village East and Village West – black permit

Parking Services endeavors to protect resident student property, but UWF is not responsible for loss or damage to vehicles or their contents.
Commuter student parking

The vast majority of the parking spaces on campus are available to commuters, who are students that live off campus. Commuter permits are green. Commuter areas are designated by signage with the word COMM in a text box. Commuters may also park in open lots, faculty/staff areas after 4:30pm, and may park in numbered, reserved spaces after 5:30pm. Resident lots and spaces never become open to other permit types.

Remote parking

Any student, faculty or staff may choose the remote parking permit option, which is half the cost of an annual commuter permit but is limited to one lot. Remote permits are red.

The remote parking area is Lot SP2 in the Sports Complex by the baseball and soccer fields. The UWF trolley runs to and from the remote parking area to the core campus daily on a regular schedule from 6:55am until 9pm, or when classes are finished for the day, during fall and spring semesters.

Overflow parking

There are open and overflow lots available to all permit holders except remote lot permit holders. These lots include B, E, J, L, M, Z, EE, FF and SPI.

How to purchase a parking permit

To purchase a parking permit, visit MyUWF and search for the “Parking Transaction Portal” app. Use the UWF login and follow the prompt to “Get Permits.” You will have the option to select a hangtag or decal and to receive your permit by mail or pick it up at Parking Services (Building 91). You may only purchase one permit at a time.

Accepted methods of online payment include debit/credit card (2.75% convenience fee) or via E-check (No convenience fee).

UWF / temporary permits

If unforeseen circumstances arise, students have the option to print a two-week temporary permit to use until the situation is resolved and you have a proper permit. Visit MyUWF > “Parking Transaction Portal” app and print your temporary permit. One two-week temporary permit will be available to you each semester.

Also, students or employees needing a short-term temporary permit may pick one up at Parking Services (Building 91). After hours, temporary permits are available from the UWF Police (Building 94).

Visitor / temporary permits

The UWF Visitors Center (Building 81) issues temporary permits to visitors such as parents and family members free of charge.

How to pay a parking citation

If you get a parking citation and need to pay or appeal the citation, visit MyUWF > “Parking Transaction Portal” app and follow the prompts to “View Your Citations”.

On Fridays, two trolleys serve the campus with service ending at 9pm or when classes are finished for the day. On Saturdays, one trolley serves the campus, ending at 4:05pm. Trolley service is not provided on Sundays, during the breaks between semesters, or on holidays. During the summer semester, one trolley serves the campus.

Trolley and ECAT Bus Tracker

To keep track of the UWF trolley and ECAT bus locations on your smart phone, download the DoubleMap Bus Tracker app free for iOS or Android via the App Store or Google Play. Once in the app, navigate to “ECAT” and then “UWF Trolley” to view UWF trolley routes, stops and current locations and “Route 43” to view the ECAT bus location.

Escambia County Area Transit (ECAT) bus program

Don’t have a car? ECAT buses can take you around town!

Escambia County Area Transit (ECAT) buses run through campus Monday through Saturday each week as part of Route 43. UWF students registered for the current semester may receive two free bus passes each day by visiting Auxiliary Services (Building 20W) or Parking Services (Building 91) and showing their student Nautilus Card. The ECAT bus passes are available for pick up Monday through Friday, excluding semester breaks and holidays. This program is a service of UWF Parking & Transportation Services.

UWF has 3 bus stops indicated by ECAT on Route 43 as stop number 5.

Each stop is in front of the following locations: Village West (Building 901); School of Science & Engineering (Building 4); and WUWF Public Media (Building 88), in that order. To view the bus schedule and map for Route 43, serving UWF, visit https://goecat.com/routes-maps/.
