COMMENCEMENT

SATURDAY, MAY 2, 2026

LETTER FROM THE PRESIDENT

Manny Diaz Jr., President

Dear 2026 Graduates,

Today marks an important and long awaited milestone – graduation. Your degree, whether a bachelor's, master's, specialist or doctorate, was earned through hard work and perseverance, and it marks an important step toward your future successes.

As you look back on your time at UWF, I hope you remember more than the classes and exams. Remember the friendships you formed, the mentors who guided you and the moments that challenged you to grow. Those experiences shaped you into the leader, thinker and innovator you are today.

Your degree is more than a credential. It's a reflection of your resilience and readiness to lead in a changing world. Whether you're stepping into a new career, advancing in your field or exploring the next level of education, you carry the strength and spirit of an Argo within you.

I also want to recognize the parents, spouses, children and friends of our graduates who helped make this day

possible. Their encouragement and belief in you remind us that education is a shared journey – one built on community and support.

As you move forward, embrace the opportunities and challenges ahead with confidence. The future belongs to those who keep learning, keep adapting and keep striving to make a positive impact.

Since 1968, UWF graduates have gone on to shape industries, serve communities and lead with purpose. Today, you join that proud tradition, officially becoming alumni. Wherever your next steps take you, remember that your Argo family is cheering you on.

You've made your mark here, and the best is yet to come. Congratulations, and go Argos!

THE CHAMBERED NAUTILUS

By Oliver Wendell Holmes, Sr.

This is the ship of pearl, which, poets feign,
Sails the unshadowed main,—
The venturous bark that flings
On the sweet summer wind its purpled wings
In gulfs enchanted, where the Siren sings,
And coral reefs lie bare,
Where the cold sea-maids rise to sun their streaming hair.

Its webs of living gauze no more unfurl;
Wrecked is the ship of pearl!
And every chambered cell,
Where its dim dreaming life was wont to dwell,
As the frail tenant shaped his growing shell,
Before thee lies revealed,—
Its irised ceiling rent, its sunless crypt unsealed!

Year after year beheld the silent toil
That spread his lustrous coil;
Still, as the spiral grew,
He left the past year's dwelling for the new,
Stole with soft step its shining archway through,
Built up its idle door,
Stretched in his last-found home, and knew the old no more.

Thanks for the heavenly message brought by thee,
Child of the wandering sea,
Cast from her lap, forlorn!
From thy dead lips a clearer note is born
Than ever Triton blew from wreathèd horn!
While on mine ear it rings,
Through the deep caves of thought I hear a voice that sings:—

Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea!

ACADEMIC REGALIA

The academic regalia worn today at the University of West Florida originated in the universities of the Middle Ages when a warm gown and hood were useful for scholar and cleric in unheated buildings. The distinctive gown also served to set the student apart from his fellow citizens of the community. Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time it was decided that all robes would be black; bachelors' gowns of silk with long closed sleeves; doctors' gowns also carried three velvet bands around each sleeve above the elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which the degree was earned.

In the recent years several universities have decided to return to a distinctive gown design, particularly in the color of the garment. However, there has been no change in the standard colors that represent the disciplines. At the University of West Florida, each bachelor's degree candidate or graduate wears a blue and green tassel on the cap (mortar board). The tassels of master's and specialist's degree candidates and graduates represent the specific degree or discipline achieved. Doctoral degree recipients wear a gold tassel. In addition, baccalaureate graduates who have earned a 3.5 accumulative grade point average or higher are entitled to wear gold honor cords on their gowns.

ACADEMIC HOOD COLORS

The color lining the hood indicates the following:

Purple	Law
Lemon	Library Science

ALMA MATER

*Where learning's light sends forth its beam
Through darkness of our youth,
There you, West Florida, home of dreams
Prepare the way of truth.
You guide us toward tomorrow's shore
With knowledge of our past;
Your power in us rests secure,
And evermore will last.
Your stately mansions were our home
Where minds and hearts are free
And though we may far from you roam,
We'll always honor thee.*
