COMMENCEMENT

SATURDAY, MAY 3, 2025

LETTER FROM THE PRESIDENT

Martha D. Saunders, Ph.D. *President*

Dear 2025 Graduates,

Today marks the day you have long anticipated—graduation. On behalf of everyone at the University of West Florida, I want to tell you how proud we are of you. It took hard work and determination, along with countless hours of study, to get here.

Your degree, whether a bachelor's, master's, specialist or doctorate, marks an important step toward your future successes. Some of you will be starting the career that you have dreamed of while others will begin working towards that next degree. Whichever path you have chosen, your Argo family will be cheering you on.

Throughout your UWF career, you've had a team who encouraged you and supported your efforts. I want to thank the parents, spouses, children and friends of our graduates who helped along the way. They share a feeling of pride in your accomplishments and excitement for your journey ahead.

The word "commencement" signifies moving forward.

You are starting out and blazing a new trail. Your time at

UWF has given you a foundation for your journey. My wish is for you to go with a sense of optimism and confidence that you can face the challenges you encounter.

You now share in the rich history of UWF. Since our first graduation in June 1968, we have conferred more than 120,000 degrees to UWF graduates like you. Congratulations on joining this elite group of 100,000 alumni and thank you for being a part of the Argo Story.

As you leave here today, remember these words, *Ancora Imparo*, which translates to "still I am learning." I encourage you to continue learning new ideas and concepts. Seek out ways to gain knowledge and skills that will enrich your life.

Congratulations. We are proud of you. Go Argos!

Sincerely yours,

Martha D. Saunders, Ph.D.

Kenneth Ford is Founder and Chief Executive Officer Emeritus of the Institute for Human & Machine Cognition (IHMC). With campuses in Pensacola and Ocala, IHMC has grown into one of the nation's premier research organizations with world-class scientists and engineers investigating a broad range of topics related to building technological systems aimed at amplifying and extending human cognition, perception, locomotion and resilience.

Dr. Ford is the author of hundreds of scientific papers and six books. Dr. Ford's research interests include: artificial intelligence, cognitive science, human-centered computing, and entrepreneurship in government and academia. Dr. Ford received his Ph.D. in Computer Science from Tulane University. Ford is a Fellow of the Association for the Advancement of

Artificial Intelligence (AAAI), a Fellow of the American Association for the Advancement of Science (AAAS), and a charter Fellow of the National Academy of Inventors.

Ford has received many awards and honors including the Doctor Honoris Causas from the University of Bordeaux in 2005 and the 2008 Robert Englemore Memorial Award for his work in artificial intelligence. In 2012 Tulane University named Ford its Outstanding Alumnus in the School of Science and Engineering. In 2015, the Association for the Advancement of Artificial Intelligence named Dr. Ford the recipient of the 2015 Distinguished Service Award. In 2017 Dr. Ford was inducted into the Florida Inventor's Hall of Fame.

In January 1997, Dr. Ford was asked by NASA to develop and direct its new Center of Excellence in Information Technology at the Ames Research Center in Silicon Valley. That same year, Ford returned to private life and to the IHMC.

In October of 2002, President George W. Bush nominated Dr. Ford to serve on the National Science Board (NSB) and the United States Senate confirmed his nomination in March of 2003. The NSB is the governing board of the National Science Foundation (NSF) and plays an important role in advising the President and Congress on science policy issues. In 2005, Dr. Ford was appointed and sworn in as a member of the Air Force Science Advisory Board.

In 2007, he became a member of the NASA Advisory Council and on October 16, 2008, Dr. Ford was named as Chairman – a capacity in which he served until October 2011. In August 2010, Dr. Ford was awarded NASA's Distinguished Public Service Medal – the highest honor the agency confers.

In February of 2012, Dr. Ford was named to the Defense Science Board (DSB) and in 2013, he became a member of the Advanced Technology Board (ATB) which supports the Office of the Director of National Intelligence (ODNI). THE CHAMBERED NAUTILUS

By Oliver Wendell Holmes, Sr.

This is the ship of pearl, which, poets feign,
Sails the unshadowed main,—
The venturous bark that flings
On the sweet summer wind its purpled wings
In gulfs enchanted, where the Siren sings,
And coral reefs lie bare,
Where the cold sea-maids rise to sun their streaming hair.

Its webs of living gauze no more unfurl;
Wrecked is the ship of pearl!
And every chambered cell,
Where its dim dreaming life was wont to dwell,
As the frail tenant shaped his growing shell,
Before thee lies revealed,—
Its irised ceiling rent, its sunless crypt unsealed!

Year after year beheld the silent toil
That spread his lustrous coil;
Still, as the spiral grew,
He left the past year's dwelling for the new,
Stole with soft step its shining archway through,
Built up its idle door,
Stretched in his last-found home, and knew the old no more.

Thanks for the heavenly message brought by thee,
Child of the wandering sea,
Cast from her lap, forlorn!
From thy dead lips a clearer note is born
Than ever Triton blew from wreathèd horn!
While on mine ear it rings,
Through the deep caves of thought I hear a voice that sings:—

Build thee more stately mansions, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting sea!

ACADEMIC REGALIA

The academic regalia worn today at the University of West Florida originated in the universities of the Middle Ages when a warm gown and hood were useful for scholar and cleric in unheated buildings. The distinctive gown also served to set the student apart from his fellow citizens of the community. Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time it was decided that all robes would be black; bachelors' gowns of silk with long closed sleeves; doctors' gowns also carried three velvet bands around each sleeve above the elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which the degree was earned.

In the recent years several universities have decided to return to a distinctive gown design, particularly in the color of the garment. However, there has been no change in the standard colors that represent the disciplines. At the University of West Florida, each bachelor's degree candidate or graduate wears a blue and green tassel on the cap (mortar board). The tassels of master's and specialist's degree candidates and graduates represent the specific degree or discipline achieved. Doctoral degree recipients wear a gold tassel. In addition, baccalaureate graduates who have earned a 3.5 accumulative grade point average or higher are entitled to wear gold honor cords on their gowns.

ACADEMIC HOOD COLORS

The color lining the hood indicates the following:

White	Arts and Humanities
Drab	Business
Crimson	Communication
Midnight Blue	Criminal Justice
Light Blue	Education
Orange	Engineering
Purple	Law
Lemon	Library Science
Pink	Music
Apricot	Nursing
Dark Blue	Philosophy/Political Science
Peacock Blue	Public Administration
Salmon Pink	Public Health
Science Gold	Science
Citron Yellow	Social Work
Brown	Theatre

ALMA MATER

*Where learning's light sends forth its beam
Through darkness of our youth,
There you, West Florida, home of dreams
Prepare the way of truth.
You guide us toward tomorrow's shore
With knowledge of our past;
Your power in us rests secure,
And evermore will last.
Your stately mansions were our home
Where minds and hearts are free
And though we may far from you roam,
We'll always honor thee.*
