

# Applied Behavior Analysis

## Graduate Course Sequence

### Program Description

This online course sequence prepares students for internationally-recognized certification in Applied Behavior Analysis (ABA). Our online curriculum provides the complete path towards a successful career in ABA. Gain valuable experience as a Board Certified Behavior Analyst (BCBA) or Qualified Behavior Analyst (QBA). This graduate course sequence is verified by Applied Behavior Analysis International (ABAI) and pre-approved by the Qualified ABA Credentialing Board (QABA). It meets the education requirements for the national BCBA and QBA exams.

### Career Opportunities

This multifaceted field affords diverse opportunities for students interested in pursuing a rewarding career. With many applications in clinical, educational and occupational settings, behavior analysts improve the lives of individuals across a variety of interests.
