AGREEMENT

THIS AGREEMENT is between the UNIVERSITY of WEST FLORIDA BOARD OF TRUSTEES (hereinafter referred to as the University), and the FLORIDA POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the PBA) representing the employees in the Law Enforcement Bargaining Unit; and

WHEREAS, it is recognized by the University and the PBA that the public policy of the State and the purpose of Part 11, Chapter 447, Florida Statutes, is to provide statutory implementation of Section 6, Article 1 of the Constitution of the State of Florida, and to promote harmonious and cooperative relationships between the University and its employees, both collectively and individually, and to protect the public by assuring , at all times, the orderly and uninterrupted operations and functions of the University; and

WHEREAS it is recognized by the University and the PBA that terms and conditions of employment of employees are contained in this Agreement and in the University, Employment Rules and Policies; and

WHEREAS the above language is a statement of intent and, therefore, not subject to the grievance procedure as outlined in Article 5.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the University and the PBA do agree as follows:

Article 1 RECOGNITION

1.1 Inclusions.

A. The University hereby recognizes the PBA as the exclusive representative for the purpose of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees included in the Law Enforcement Bargaining Unit as defined in Certification No. 1443 issued by the Florida Public Employees Relations Commission on November 17, 2003.

B. This Agreement includes all full-time and part-time employees in the classifications and positions listed in Appendix A of this Agreement, except for those individuals filling full-time and part-time positions excluded pursuant to Section 1.2.

1.2 Exclusions. This Agreement specifically excludes employees in positions designated with managerial, confidential, temporary, or emergency status, and all persons paid from Other Personal Services (OPS) Funds.

1.3 Classes and Positions.

A. When the University establishes a new law enforcement classification or revises an existing classification so that its bargaining unit designation is changed, the University shall notify the PBA regarding the proposed bargaining unit designation of the class. The PBA shall notify the University, in writing, within fifteen {15} days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the class, it may request that the Florida Public Employees Relations Commission resolve the dispute through unit clarification proceedings.

B. When a new position is created in a classification that is included in a bargaining unit, and the University determines that the position should be excluded from the unit due to its managerial or confidential status, the University shall notify the PBA of such determination. The PBA shall notify the University, in writing, within fifteen {15} days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the position, it may request that the Florida Public Employees Relations Commission resolve the dispute of unit placement.

(This notice provision will not apply where a regulation is promulgated as an emergency regulation). The PBA may provide written comments, concerns, or suggested revisions to the University contact person or request negotiations within twenty (20) days of receipt of the notice. The University will consider and respond in writing to the comments, concerns, and suggestions of the PBA within ten (10) days of their receipt by the University; such response will include the reasons for rejecting any suggested revisions.

4.6 Negotiations.

A. Parties and Location.

1. The PBA agrees that all collective bargaining is to be conducted with University representatives designated for that purpose by the President. There shall be no negotiations by the PBA at any other level.

Employees may request unpaid leave or accrued annual or compensatory leave for the purpose of attending PBA conventions, conferences, meetings, and negotiating sessions as long as such leave does not impede the operations of the University; such requests shall not be unreasonably denied. When such requests are denied, the supervisor shall provide such denial in writing.

Article 5
GRIEVANCE PROCEDURE

5.1 Policy.

A. The University and the PBA encourage the informal resolution of employee complaints. To that end, employees should present such complaints for review and discussion as soon as possible to the University representative who has authority to address the complaint. Such review and discussion should be held with a view to reaching an understanding that will resolve the complaint in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure prescribed by this Article. If the complaint is not resolved by such informal discussion, the employee may proceed to file a grievance consistent with the provisions of this Article.

B. "Grievance" means a dispute filed with the University's Management Representative using Appendix C or D, as appropriate, concerning the interpretation or application of a specific provision of this Agreement, except as exclusions are noted. All grievances must be filed within thirty (30) days of the act or omission giving rise to the grievance or the date on which the employee knew or reasonably should have known of such act or omission if that date is later.

C. "Grievant" means an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement which confers rights upon the employee. The PBA may file a grievance in a dispute over a provision of this Agreement that confers rights upon the PBA.

D. "Management Representative" means an individual designated to hear grievances on behalf of the University.

E. A grievant who decides to use this Grievance Procedure shall, prior to the Step 1 meeting, choose whether to be represented by the PBA. A grievant shall not be represented by a PBA representative who is in a supervisory or subordinate position to the employee in the University.

1. When the grievant has elected PBA representation, both the grievant and the PBA Representative shall be notified of the Step 1 meeting. Further, any written communication concerning the grievance or its resolution shall be sent to both the grievant and the PBA Representative, and any decision agreed to by the University and the PBA shall be binding on the grievant.

2. If the grievant is not represented by the PBA, the Management Representative shall timely notify the PBA such that the PBA is given reasonable opportunity to be present at any meeting called for the resolution of such grievance. The processing of the grievance and any resolution will be in accordance with the terms of this Agreement.

3. The PBA shall not be bound by the decision of any grievance or arbitration in which the grievant was not represented by the PBA.

F. Except for suspensions, the filing or pendency of any grievance under the provisions of this Article shall in no way operate to impede, delay, or interfere with the right of the University to take the action it proposes, subject to the final disposition of the grievance. Suspension shall not be imposed until the final disposition of the grievance, if any, except where such suspension is made pending the outcome of a criminal investigation.

G. The resolution of a grievance prior to a written decision of an arbitrator shall not establish a precedent binding on the PBA, or the University.

H. Only those acts or omissions and sections of the Agreement identified at Step 1 may be considered in subsequent steps.

I. There shall be no reprisals against any of the participants in the procedures contained herein by reason of such participation.

J. If a grievance meeting is held or requires reasonable travel time during the working hours of any required participant, such participant shall be excused without loss of pay for that purpose. Attendance at grievance meetings outside of the regular working hours shall not be deemed time worked.

K. Each grievance, request for review and arbitration notice must be submitted in writing on the appropriate form attached to this Agreement as Appendices C, D and E, respectively and shall be signed by the grievant. One Appendix C, D, and E may be filed in a grievance with more than one grievant, provided that the respective appendix bears the signatures of all grievants. Grievances shall be considered filed upon date of receipt. Except for the initial filing of the grievance, if there is difficulty in meeting any time limit, a PBA representative may sign such forms for the grievant.

5.2 Procedures.

A. Step 1

1. An employee having a grievance shall file the applicable grievance form (Appendix C) at Human Resources within thirty (30) days following the occurrence of the event giving rise to the grievance. The grievance shall set forth the complete facts on which the grievance is based, the specific provision(s) of the Agreement allegedly violated, and the relief requested. The Chief of Police or designee shall schedule a Step 1 meeting between the grievant, the grievant's designated representative, grievant's supervisor, or other appropriate individuals. The grievant shall have the right to present any evidence in support of the grievance at this meeting. If the meeting does not result in resolution of the grievance, the Chief of Police or designee will proceed with processing the grievance and issuing a written decision, stating the reasons therefore, to grievant or grievant's designated representative within thirty (30) days following the conclusion of the meeting, unless an extension has been granted. If an extension was granted, the decision shall be made by the agreed upon date. A copy of the decision shall be sent to the grievant and to the PBA if grievant elected not to be represented by the PBA. The decision shall be transmitted by personal delivery with written documentation of receipt; by certified mail, return receipt requested; or via email to a uwf.edu email address.

2. Where practicable, the University shall make available to the grievant or grievant's designated representative, documentation referenced in the Step 1 decision prior to its issuance. All documents referred to in the decision and any additional documents presented by the grievant shall be attached to the decision, together with a list of these documents. In advance of the Step 1 meeting, the grievant shall have the right, upon written request, to a copy of documents identified as relevant to the grievance.

3. In the absence of an agreement to extend the period for issuing the Step 1 decision, the grievant may proceed to Step 2 if the grievant or grievant's designated representative has not received the written decision by the end of the thirtieth (30th) day following the conclusion of the Step 1 meeting.

B. Step 2 - Management Representative

1. If the grievance is not satisfactorily resolved at Step 1, the grievant may file a written request for review (using Appendix D form) with the Step 2 Management Representative within thirty (30) days following receipt of the Step 1 decision by grievant or grievant's designated representative. When the grievance is eligible for initiation at Step 2, the

grievance form must contain the same information as a grievance filed at Step 1 above. The Step 2 Management Representative may have a meeting with the employee and/or the designated representative to discuss the grievance.

2. The Step 2 Management Representative shall issue a written decision to the grievant or grievant's designated representative, stating the reasons therefore, within thirty (30) days following the conclusion of the meeting. The decision shall be transmitted by personal delivery with written documentation of receipt; by certified mail, return receipt requested; or via email to a uwf.edu email address.

C. Step 3 - Arbitration.

1. If the grievance is not resolved at Step 2, the grievant or grievant's designated representative may appeal the Step 2 decision to Arbitration on a Notice of Arbitration form as set forth in Appendix E; this appeal shall be filed within thirty (30) days after receipt of the decision at Step 2. A grievant may appeal a grievance to Arbitration whether or not he/she was represented by the PBA at an earlier step.

2. The University and the PBA may, by written agreement, submit related grievances for hearing before the same arbitrator.

3. The arbitrator shall be one person from a panel of seven (7) permanent arbitrators, mutually selected by the University and the PBA to serve for any case or cases submitted. If agreement is not reached on one or more of the seven (7) arbitrators within sixty (60) days following the signing or effective date of this Agreement, whichever is later, the parties may, by mutual agreement, request the Federal Mediation and Conciliation Service, American Arbitration Association, or the Florida Public Employee Relations Commission to provide a list of fifteen (15) arbitrators. The University and the PBA shall select the arbitrator(s) by alternately striking from the list until the required number of names remain. The party to strike first shall be determined by the flip of a coin.

4. Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s) in accordance with the provisions of Section 5.2. C.3.

5. Arbitration hearings shall be held at times and locations agreed to by the parties. Under normal circumstances, hearings will be held in Pensacola; however, selection of the site shall

take into account the availability of evidence, location of witnesses, and existence of appropriate facilities.

6. The arbitrator may fashion an appropriate remedy to resolve the grievance and, provided the decision is in accordance with his/her jurisdiction and authority under this Agreement, the decision shall be final and binding on the University, the PBA, the grievant(s), and other employees. In considering a grievance, the arbitrator shall be governed by the following provisions and limitations:

a. The arbitrator shall issue his/her decision not later than forty-five (45) days from (45) days from the date of the closing of the hearing or the submission of briefs, whichever is later.

b. The arbitrator's decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted.

c. The arbitrator shall have no authority to determine any other issue and shall refrain from issuing any statement of opinion or conclusion not essential to the determination of the issue(s) submitted.

d. The arbitrator shall limit his/her decision strictly to the application and interpretation of the specific provisions of this Agreement.

7. The arbitrator shall be without power or authority to make any decisions:

a. Contrary to or inconsistent with, adding to, subtracting from, or modifying, altering, or ignoring in any way the terms of this Agreement, or the provisions of applicable law, rules, or regulations having the force and effect of law; or

b. Limiting or interfering in any way with the powers, duties, and responsibilities of the State under its Constitution, applicable law, rules, and regulations having the force and effect of law, except as such powers, duties, and responsibilities have been abridged, delegated, or modified by the provisions of this Agreement.

8. The arbitrator's award may include back pay to the grievant(s); however, the following limitations shall apply to such monetary awards:

a. No award for back pay shall exceed the amount of pay the employee would otherwise have earned at his/her regular rate of pay, and such back pay shall not be retroactive to a date earlier than the date of the occurrence of the event giving rise to the grievance under consideration, and in no event more than thirty (30) days prior to the filing of the grievance; and

b. The award shall not exceed the actual loss to the grievant, and will not include punitive damages, overtime, on-call, or other speculative compensation that might have been earned, and shall be reduced by replacement compensation received by the employee during the period of time affected by the award.

9. The reasonable fees and expenses of the arbitrator shall be borne solely by the party who fails to prevail in the hearing; however, each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys, and witnesses. If the arbitrator fashions an award in such a manner that the grievance is sustained in part and denied in part, the parties will evenly split the arbitrator's fees and expenses.

10. The PBA will not be responsible for the costs of an arbitration to which it was not a party.

5.3 Time Limits.

A. Failure to initiate a grievance within the time limits specified shall be deemed a waiver of the grievance. Failure at any step of this procedure to submit a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision at that Step.

B. Failure at any Step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant, or the PBA where appropriate, to proceed to the next step.

C. The time limits specified in any step of this procedure may be extended, in any specific instance, by written agreement.

D. Claims of either an untimely filing or untimely appeal shall be made at the Step in question.

E. In the event that any action falls due on a Saturday, Sunday, or holiday (as referred to in Section 2.3}, the action will be considered timely if it is accomplished by 5:00 p.m. on the following business day.

5.4 Exceptions.

A. Nothing in this Article or elsewhere in this Agreement shall be construed to permit the PBA or an employee to process a grievance (1) on behalf of any employee without his/her

consent, or (2) with respect to any matter which is at the same time the subject of an action which has been filed by a grievant in another forum, administrative or judicial. As an exception to this provision, a grievant may file an EEOC charge while a grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42, U.S. C. Section 2000et seq.

B. The University and the PBA may mutually agree to waive Steps 1 and 2 of the grievance procedures in order to expedite the processing of a grievance.

Article 6
INTERNAL INVESTIGATIONS, JUST CAUSES, DISCIPLINARY ACTION,
AND SEPARATION WITH ADVANCE NOTICE

6.1 Policy. The University and the PBA endorse the principle of progressive discipline. The purpose of this Article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Supervisors shall provide privacy to the extent practicable when administering disciplinary actions.

6.2 Internal Investigations.

A. The parties recognize that law enforcement personnel occupy a special place in American society. Therefore, it is understood that the University has the right to expect that a professional standard of conduct be adhered to by all law enforcement personnel regardless of rank or assignment. Since internal investigations may be undertaken to inquire into complaints of misconduct, the University reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused employees. In the course of any internal investigation, the investigative methods and processes used will be consistent with the law.

B. When a complaint of misconduct is made against an employee, the University will make every effort to ensure that the complaint, if verbal, and any statements regarding the complaint are reduced to writing, signed, and under oath. If the complaint is criminal in nature, the complaint and any statement received should also be under oath.

C. For the purpose of this Section, "Interrogation" refers to a disciplinary investigation meeting in response to a complaint in which the information to be obtained from an employee by management at that meeting will be the basis for a decision as to whether to suspend or

dismiss the employee. It does not include counseling sessions, meetings at which the employee is solely being advised of intended disciplinary action and offered an opportunity to explain why he/she should not be disciplined, or inquiries which may result in oral or written reprimands. If during the inquiry, it is concluded that more serious discipline is warranted, the inquiry will cease, and the matter will proceed in accordance with internal investigation procedures. The employee has the right, upon request, to PBA representation at any such meeting.

D. When an employee is provided a written set of questions to which to respond or is interrogated concerning a complaint, the employee will be informed prior to such written questions being provided or prior to interrogation of the nature of the investigation and whether the employee is the subject of the investigation or a witness in an investigation. Where requested, an employee shall be given up to twenty-four (24) hours to respond to such written questions or to contact, consult with, or secure the attendance of a representative at the interrogation. If the employee is the subject of the investigation, the employee will also be informed of each complaint against him/her and will be permitted to review all written statements made by the complainant and witnesses immediately prior to the beginning of the investigative written questioning or interrogation. Pursuant to Section 112.533, Florida Statutes, the employee who is the subject of the investigation shall not disclose the contents to anyone other than his/her representative or attorney until the investigation is complete.

E. Written questioning and interrogations shall be conducted in a professional, non-coercive manner.

F. The employee shall, upon request, receive a copy of his/her written or recorded statement at no cost. No recording or transcription of the investigative interrogation will be made without the knowledge of all participants present at the interrogation.

G. Upon the conclusion of the investigation by the Department, the employee who is the subject of an internal investigation shall be notified in writing of the disposition of the case. Such investigation shall ordinarily be completed within forty-five (45) days after the complaint is filed, unless circumstances necessitate a longer period. An investigation shall not exceed one hundred and twenty (120) days without the approval of the President or designee outside of the Department. The employee shall be notified in writing if an extension is authorized by the President or designee.

H. In cases where the University determines that the employee's absence from the work location is essential to the investigation and the employee cannot be reassigned to other duties pending completion of the investigation, the employee shall be placed on administrative leave with pay.

I. No employee shall be required to submit to a polygraph test, or any device designed to measure the truthfulness of responses during an investigation of a complaint unless authorized by statute or a decision of the Florida Supreme Court.

J. Non-sustained findings may not be inserted in personnel records or referred to in performance evaluations.

6.3 Just Cause.

A. Disciplinary actions administered to regular status employees may be taken only for just cause. An employee who has not attained regular status, by completing a position orientation year, shall not have access to the grievance procedure in Article 5 when disciplined.

B. Suspensions, Dismissals, Disciplinary Demotions, and Reductions in Base Pay for Disciplinary Reasons. If filed within thirty (30) days from the date of receipt of notice from the University, by personal delivery or by certified mail, return receipt requested, a complaint by an employee with regular status concerning a suspension, dismissal, disciplinary demotion, or reduction in base pay may be grieved and processed through the Arbitration Step, in accordance with the Grievance Procedure in Article 5 of this Agreement; however, in order to expedite the review of dismissal actions, such grievances may be filed at Step

C. Written Reprimands.

1. Written reprimands shall be subject to the grievance procedure in Article 5, but only through step 2.

2. Written reprimands shall not be used for purposes of progressive discipline, if the employee has maintained a discipline-free work record for at least three (3) consecutive years. Such written reprimands shall be marked "invalid for progressive disciplinary purposes due to a three (3) year discipline-free work period" at any time after that three

Article 14

WORKDAY AND WORKWEEK

See Appendix L

14.1 Workweek.

A. The University and the PBA understand and agree that the ultimate decision of employee shift schedule and workday length rests with the University.

B. The normal work period for each full-time employee shall be forty hours in a Seven-day period. The University may establish an alternate work period which shall not exceed eighty hours in a fourteen-day work period. Prior to implementing such an alternate work period, the University shall provide the PBA with the proposed alternate work period and a list of those employees affected. The PBA may consult with the University over the proposed alternate work period. If consultation is requested, the University shall not implement the alternate work period until the parties have consulted.

C. When required hours of work exceed the approved work period (either forty h o u r s during a seven day period, or eighty hours during a fourteen day pay period), the compensation for overtime worked shall be in the form of cash payment unless the employee and the supervisor agree that the employee be credited with compensatory leave.

D. An employee will be given fourteen days' notice of a change in the employee's work period, work hours or days off, except in an official emergency or to meet unforeseen law enforcement needs.

E. An employee who rotates to a different shift shall receive a minimum of two shifts (16 hours) off between the end of the current shift assignment and the beginning of the new shift assignment, except when an emergency situation or staffing limitation does not permit.

14.2 Workday. The University shall not require an employee to split a workday into two or more segments without the agreement of the employee, except in an official emergency or to meet unforeseen law enforcement needs.

14.3 Special Compensatory Leave.

A. An employee may accumulate up to two hundred and forty hours of special compensatory leave. The University may pay for a specified amount of unused special compensatory leave at any time when the employee's balance is over 240 hours. The amount of payment to the employee will only bring the employee's balance back to 240 hours. If the University decides to pay for a specified amount of unused special compensatory leave, the employee cannot request to keep the special compensatory leave instead of being paid. The University will provide fourteen days' notice when paying for the special compensatory leave as specified in this paragraph.

B. When an employee has accumulated in excess of two hundred and forty hours of

special compensatory leave, the supervisor may require an employee to use any part of the employee's accrued special compensatory leave in increments of twelve hours or in increments equivalent to the number of hours of work in an employee's regularly scheduled workday. Normally, an employee will be given fourteen days' notice when required to use special compensatory leave as specified in this paragraph.

- C. If an employee is eligible to earn special compensatory leave, the Division Head may pay the employee for any or all of the employee's accrued special compensatory leave under special circumstances such as a natural disaster or winter break. When this is approved, the employee cannot elect to keep the accrued compensatory leave in lieu of payment. The Division Head will notify eligible employees in writing of this special circumstance.

14.4 Compensation for Special Duty.

A. When an employee works an event for which the Department is reimbursed at a premium rate of pay, and such event is outside the employee's approved work period (either forty hours during a seven-day period or eighty hours during a fourteen day period), and a holiday(s) occurs, or the employee uses sick leave in that work period, such employee will receive premium (time and a half) pay for working that event. However, use of annual leave, administrative leave, compensatory leave, and/or any other leave during the approved work period will result in the earning of special compensatory leave rather than premium pay. The hours for which premium pay is received shall not be counted as hours worked for the purpose of calculating overtime for the approved work period.

B. An employee reporting to a special duty event, described in Section 14.4.A, shall be guaranteed three hours of premium pay if an event is canceled or concluded prior to the end of the three hour period covered by the guaranteed pay provision. An employee's failure to adhere to the Department's procedures for determining the status of the event prior to reporting for such duty will cause the employee to lose eligibility for the guaranteed three hours. If after the employee reports to work, the event is canceled or concluded prior to the end of the guaranteed three hours, management may assign other law enforcement duties within the scope of the employee's position description during the guaranteed three hour period.

C. In the event that an employee attends a department authorized or required training, the Chief of Police or designee will calculate the time from the University to the site and the employee can include that time calculated as time worked.

- 15.3 Call-Back. If an employee is called back to perform work beyond the employee's scheduled hours of work for that day, the employee shall be credited with the greater of the actual time worked, including time to and from the employee's home to the assigned work location, or two {2} hours.
- 15.4 Court Appearances. If an employee is subpoenaed to appear as a witness in a job-related court case, not during the employee's regularly assigned shift, the employee shall have the option to either accept the witness fee or be granted a minimum of two and a half (2 1/2) hours which shall be counted as hours worked.

Article 30
TOTALITY OF AGREEMENT

30.1 The University and the PBA acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to present proposals with respect to any and all matters lawfully subject to collective bargaining, and that all of the understandings and agreements arrived at by the University and the PBA thereby are set forth in this Agreement, and that it shall constitute the entire and sole Agreement between the parties for its duration,

Officers will submit an application for the promotional process through the Human Resources Department. All applications received by the posted deadline will be evaluated against stated eligibility requirements. Each applicant will be notified of their eligibility. The photo ID will not contain any demographic information, such

as name or date of birth. The reference number and ID will identify the eligible candidate throughout the promotional process and will be used on all written materials. The Human Resources will maintain a confidential listing of reference numbers assigned to each eligible candidate.

The written exam will be proctored by the Human Resources staff. Each candidate will be required to show their University Argo identification card for admittance to the testing room. The candidates' reference number will be placed on the answer sheet. Upon completion of the written exam, the candidates' thumb print will be placed on the top of the answer sheet when it is turned into the proctor. There will be no study materials, electronics (cell phones, computers, smart glasses, etc.), or heavy clothing (jackets, etc.) allowed in the testing room.

At the conclusion of the testing process, each phase of testing will be "blindly" scored utilizing reference numbers only. The score from each phase will be added together to comprise a total score for each candidate. This process will be monitored by the Human Resources.

A promotional eligibility list will be compiled and certified by the Human Resources. After certification, Human Resources will send a list with the candidate's unique identifier and test score to the UWF Chief of Police. The Chief of Police will post this list via University email. The scores and corresponding reference numbers presented to the University will be listed in descending order with the highest score being number one on the list and the lowest score being the last score on the list. In the event of a tie, the candidate who is most senior by rank, then seniority in the bargaining unit, will be placed ahead of the other candidate. The University may review personnel and disciplinary folders of each candidate or establish a board for this purpose to determine the best candidates for promotion. Names and other identifying information will be redacted from the personnel and disciplinary folders to preserve the blind promotional process.

The University has the option to select from the top three candidates from the certified promotional list. Any candidate that is passed over will retain their position on the list for future consideration. If a candidate is to be passed over, the University will meet with the candidate and inform them of the reason.
