MANAGEMENT

Mission Statement
The mission of the College of Business is to provide a high quality, student-oriented, educational experience to baccalaureate and master’s degree business students primarily from the Northwest Florida region. With a focused priority on teaching excellence, supported by scholarship and service, the College of Business prepares students for success in business and society and contributes to the advancement of the educational and economic development of Northwest Florida.

Student Learning Outcomes
UWF Management graduates should be able to do the following:

Content
- Define terminology and concepts in the major areas of business:
  - Information Technology
  - Marketing
  - Management
  - Economics
  - Accounting
  - Finance
- Plan, organize, lead, and control the use of resources to accomplish performance goals in organizations
- Apply principles of group and individual dynamics through effective membership in a team
- Identify issues and problems in human resource management and develop a human resource management plan

Critical Thinking
- Identify business problems, frameworks for their solution and use appropriate problem solving techniques for business problems

Communication
- Communicate effectively in writing, create and deliver effective oral presentations, and contribute effectively to group discussions

Integrity/Values
- Articulate ethical issues that occur in business, evaluate alternative courses of action, and evaluate the implications of those actions
Assessment of Student Learning Outcomes
In the Management major, you will demonstrate specific knowledge and skills through quizzes, examinations, projects, and other assignments throughout the undergraduate program. For example, in the core BSBA course Strategic Management, you will be given an opportunity to demonstrate your academic accomplishments in a standard format through the production of a substantial case analysis. In the Management specialization course The Future: Projecting, Planning and Managing, you will have the opportunity to showcase your academic accomplishments through the production of a substantial life planning paper. In most courses, you will have quizzes and examinations on the knowledge and skills covered in the respective courses.

Job Prospects for Management Graduates
Career opportunities for graduates of this program include a variety of management positions in a broad range of industries. This includes positions such as:

- Human Resource Manager
- Operations Analyst
- Management Consultant
- Corporate Planner
- Retail Manager
- Public Relations Specialist
- Organization Analyst
- Training Manager
