University Policy on Grades of Incomplete ("I")

Copy - Department offering course

An incomplete grade signifies that all course requirements have not been met. If circumstances exist beyond the student's control as determined by the instructor, the instructor may assign a grade of "I", provided the student has satisfactorily completed at least seventy percent (70%) of the course requirements and the student has an overall minimum grade of "C-" in course work up to that point in time. The "I" grade becomes an "F" at the end of one regular semester (fall and spring only—summer semester is excluded from this ruling) following the semester in which the "I" grade was assigned unless the grade is changed by the instructor to a letter grade ("A – F"). A student may not be permitted to graduate with an outstanding "I" grade.
