I. General Statement:

A critical mission of the University of West Florida (“UWF” or the “University”) is to promote a vibrant academic atmosphere in which ~~s~~Students not only receive a well-rounded education, but learn to become productive and ethical members of society. University ~~s~~Students are encouraged to think critically about issues that affect us all, carry themselves with integrity, develop a sense of ethical responsibility, ~~as well as~~and treat others in a manner in which they wish to be treated. In addition, ~~s~~Students have a duty to care for others in the University ~~e~~Community, on or off campus, by rendering aid and seeking help from appropriate medical, emergency, or University ~~s~~Staff members during a moment of need. The University ~~of West Florida~~ represents a community that values the basic tenets of: responsibility, integrity, scholarship, creativity, diversity, excellence, and care. It is hoped that after ~~s~~students graduate, they apply the knowledge acquired during their tenure at UWF into their professional and personal lives. To help accomplish these objectives, UWF has a Student Code of Conduct (“~~Conduct~~ Code”) that is structured so that, as members of the UWF community, ~~s~~Students are informed of their required roles and responsibilities, the rights that pertain to them, ~~as well as~~and how the ~~Student~~ Code ~~of Conduct~~ is administered.

University ~~s~~Students and student organizations/~~groups~~ are expected to uphold appropriate standards of behavior and to respect the rights and privileges of others. This ~~Student~~ Code ~~of Conduct~~ applies to individual ~~s~~Students ~~as well as~~and student organizations/~~groups~~. All ~~s~~Students and student organizations/~~groups~~ are expected to conduct themselves in accordance with all federal, state, and local laws, ~~and~~ Board of Governors ~~regulations~~, and University regulations, and policies.

The University is committed to ensuring that all ~~s~~Students, faculty, and ~~s~~Staff are treated with dignity and respect. UWF affirms its desire to maintain a learning and living environment for all ~~s~~Students that is free from all forms of unlawful discrimination, harassment, and retaliation. All members of the University ~~e~~Community are responsible for ensuring that their conduct does not discriminate, harass, or retaliate against others, and are to cooperate in maintaining a climate where discrimination, harassment, and retaliation are not tolerated, while respecting the First Amendment rights of others.

As a recipient of Federal funds, the University is required to comply with Title IX of the ~~Higher Education Amendments of 1972, 20 U.S.C. § 1681 et seq. (“Title IX”), which prohibits discrimination on the basis of sex in education programs or activities. This Student Code of Conduct sets forth rights and procedures for Title IX cases and Non-Title IX cases. ~~For sexual harassment and discrimination cases referred for adjudication to the Dean of Students Office by a Title IX investigation report, the Title IX procedures listed in Article VI will apply. For all other cases Article V in this document will apply.~~~~

In keeping with ~~the~~ UWF’s values, any sanctions imposed are for the purposes of restoring the standards of the University ~~e~~Community, educating ~~s~~Students and student organizations/~~groups~~ about the seriousness of their action(s), and promoting civility and positive growth; while maintaining the safety and integrity of the University ~~e~~Community.

The ~~Student Code of Conduct~~ applies to all UWF campuses, UWF ~~S~~sponsored programs, including international and exchange programs, and to off-campus conduct.

The University ~~of West Florida~~ President delegates administration of the ~~Student Code of Conduct~~ to the Vice President of Academic Engagement and Student Affairs, who delegates portions of the administration of the ~~Student Code of Conduct~~ to the Dean of Students, who may further delegate these responsibilities to other appropriate ~~s~~Staff. All references to the Vice President of Academic Engagement and Student Affairs or Dean of Students in this ~~Conduct~~ Code also refer to that individual’s designee(s).

The ~~Student Code of Conduct~~ shall be reviewed periodically, at minimum, every three years under the direction of the Vice President of Academic Engagement and Student Affairs by a committee composed of at least 50% students including student representation appointed by the President of the ~~UWF Student Government Association~~SGA.

8. Questioning of the Parties and Witnesses

All cross-examination of the parties and witnesses must be conducted directly and orally by a party's Title IX Advisor. If a party or witness does not submit to cross-examination at the hearing, the Student Conduct Hearing Board or Hearing Administrator will not rely on any statement of that party or witness in reaching a determination regarding responsibility. The Student Conduct Hearing Board or Hearing Administrator will not draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

9. Presentation of Information

Only relevant cross-examination and other questions may be asked of a party or witness. To ensure this, before a Complainant, Charged Respondent, or witness answers a cross-examination or other question, the Student Conduct Hearing Board ~~C~~chair or Hearing Administrator will first determine whether the question is relevant and explain any decision to exclude a question as not relevant. The Charged Respondent may submit a written request for a copy of the recording which will be provided after receipt of the hearing decision letter.

13. Standard of Proof

The Charged Respondent has a right to a presumption that no violation occurred. The burden to prove disciplinary cases rests with the University and not with the Charged Respondent. The standard of proof shall be the preponderance of the evidence. This means that the information presented supports the finding that it was more likely than not that the violation occurred.

14. Multiple Students Charged

The relevant portions of any impact statement provided by the Complainant, or the relevant portions of character statements or other evidence regarding mitigating circumstances provided by the Charged Respondent, will be considered by the Student Conduct Hearing Board or Hearing Administrator in issuing sanctions, so long as such information has been subject to questioning and cross-

examination during the hearing. While these statements are not binding, they, together with the totality of the circumstances, should be considered by the Student Conduct Hearing Board or Hearing Administrator involved in determining the appropriate sanctions.
