

University of West Florida Regulation
UWF/REG 2.005 Use of Facilities

(1) Facilities must be used for lawful purposes, compatible with the purpose and mission of the University. Facilities must be used in a safe and orderly manner without undue hazard which may endanger the welfare of persons or cause damage to the facility. The University shall establish appropriate policies and practices for managing facility use consistent with this regulation.

(2) The Division of Business, Finance, and Facilities is charged with the overall responsibility for administering and coordinating the use of all University facilities through an appropriate space assignment and utilization process.

(3) Use of facilities by non-University organizations or groups must comply with established sponsorship, reservation, and/or rental policies and procedures.

History: Formerly FAC Rule 6C6-2.005 adopted 10/1/75. Converted to UWF/REG 2.005-7/21/05, amended 03/27/2014.
