

# Regulations

**Number:** UWF/REG – 5.060  
**Title:** UWF Beach Reservation

---

- I. Purpose:** To conserve and preserve the UWF Beach Reservation (“Reservation”) owned by the University of West Florida Board of Trustees for educational, research, conservation and preservation.

As an educational and research institution, UWF recognizes the importance of saving the Reservation’s natural environment and rich ecosystem while ensuring the University community continues to benefit from educational and research opportunities associated with the Reservation, a living research ecosystem and classroom. UWF seeks to create a conservation-friendly environment and collaborate with researchers to protect the natural resources. It is essential to prohibit certain types of activities in order to protect the natural habitat and wildlife populations from further decline. Through this regulation, UWF intends to preserve, protect, and conserve the natural flora, fauna and landscape of the Reservation.

- II.
