Standard Lease Agreement Form – The University of West Florida Standard Lease Agreement form may be used. If another format is used, such form should embrace the terms and conditions of the UWF Standard Lease Agreement. Provisions of the UWF Standard Lease Agreement may be changed or additional covenants or conditions added thereto with the prior approval of the Office of General Counsel.

(5) **Escalation Clauses Prohibited** – A lease entered into by UWF may not contain a rental escalation clause or an open rental rate that permits an adjustment in the amount paid by the university based on the happening of a future event, such as a change in the Consumer Price Index. However, if the University determines it is in its best interest to remain in space it currently occupies, the University may negotiate a replacement lease with the landlord if an independent market analysis demonstrates that the lease rates offered are within market rates for the space and the cost of the new lease does not exceed the cost of a comparable lease plus documented moving costs. The term of such replacement lease may not exceed the base term of the expiring lease. The decision to extend a lease and to remain in space currently occupied shall be based on the following factors: the cost of moving, the disruption of activities that will occur as a result of moving, the location of the space, the suitability of the space, the proximity of services, the layout and type of space, and the quality of space involved.
